

There is on the premises, a
age and Garden, with extensive
machinery, consisting of a supe-
rushing Mill, Chaff Cutter, and
an excellent Root House,
diggery; a Summer and Winter
the Churn connected with the
Water Wheel.

an extensive Dairy, and the soil well adapted
for grain crops. The proximity to the markets of
the facility of sending Produce to SAINT JOHN by
the regular steamer affords a most advan-
tageous opportunity for investment to an Agri-
cultorist. All the necessary arrangements will be made in reference to the
both of which are of a very superior description.

on the *St. Andrews Road*, about one mile from
the town of Ground, partially improved, suitable for a

improved Land in the immediate neighbourhood of
on advantageous terms to persons desirous of

obtained by applying to the Subscriber on the pre-
ferred. Satisfactory references will be required.

WILLIAM H. ODELL.

PHILLIPS, PRINTER.
