when the local team secured a substantial lead, the visitors relaxed their efforts. The game was fast, however.

Something of a general fracas was precipitated by Denneny and Corbeau coming to blows just after the former had scored Ottawas fourth goal. They clinched and were roiling around on the itee before the officials could separate them, and the other players on each side sushed to the aid of their teammate. The two combatants were given match fouls.

A little later Hyland was sent to the penalty bench and one of the spectators followed him threateningly. Another row ensued. The Ottawa players went to self-by first penalty bench and one of the spectators for the Canadiens began to climb over the fence onto the ice to take a hand in the trouble. Prompt action on the part of the rink authorities, with the assistance of the police, saved the row from developing into a serious matter. Hall was given a minor penalty and started in to argue the case with the referce, but all he got out of it was a major penalty.

Milan, as usual, furnished his "in-it-every-minute" game, while Stewart and Ramie were also good. Smillie worked hard and was effective in his back-checking. Sheldon turned in one of his good performances, while Laflamme relieved the forwards fixely with his rushes. McCaffery and Merrick were the best of the Crescents, the former playing good hockey at all times. Glenn Smith was outskated and outgeneraled by the Dentals forwards. The teams:

Y., Feb. 17.—A world's record for skating a half-mile was made Saturday by Bobby McLean, of Chicago, world's professional champion ice skater, who covered the distance in one minute and fifteen seconds in a special trial held under the auspices of the Lake Placid Skating Association. The former record was 1.16 1-5, made in 1897 by John Nilsson at Montreal. McLean lost a stroke on his final lap, preventing him from making even better time.

## **LAKEVIEW REMAINS** TO MEET GRANITES Pat Hayes and Tom Rennie to Play the Single

The single rink competition was reduced to the final on keen ice Saturday at the Queen City and Granite, the surprise of tha day being the defeat of J. Rennie in the third round, who fell before President Holmes of the Lakeview Club by a one-sided score. It was one of the Granite veteran's very bad days. This game vas played at the Granite, where P. J. Hayes of Lakeview disposed of the last of the Queen Citys, C. Tobin retiring minus four shots. At Queen City the Toronto rink skipped by C. E. Robin runners up a year ago, put up a determined fight with T. Rennie, and finally retired by 14 to 11. Skip Grant started out like a winner in the semi-finals with T. Rennie, scoring three the first end and four the third. Then the Dalton boys, Eddie Trow and the skip, started their combination working and the Torontos only accumulated two more, the game finishing on the thirteenth end. The other semi-final between two Lakeview rinks played at the Granite resulted in a win for Pat Hayes by two shots.

The final between T. Rennie, Granite, and P. J. Hayes, Lakeview, will not be played till Tuesdey night. Scores:

GO ON. SAYS PRES.

League Baseball Meeting

in New York.

President J. J. McCaffery returned yesterday from the International Baseball League meeting in New York. He says the league is pretty sure to continue the coming summer, the only uncertainty being as to the circuit. Montreal and Richmond may drop out, but they would go ahead with six clubs. Buffalo is sound again. There is nothing in the story, the president says, about a secret meeting deciding to disband. Toronto has sent out contracts the same as usual. A directors' meeting will be held March 1, with the schedule meeting March 25. Whiteman, being the property of Louisville, was sold by that club to Boston, and Toronto's bit out of the feal may be a catcher.
