THERE MUST BE A NEW MAN

SIR DONALD SMITH POSSESSES THE CONFIDENCE

Of Every Wing and Section of the Conservative Members. He believes the School Question can be Settled Without Remedial Legislation—All Would Work Harmoniously With Him.

Ottawa, Feb. 23.—(Special)—The situation grows more interesting and new developments are coming on apace. Notwithstanding the efforts of the Toronto Mail to mislead the public it is more than ever evident that no Remedial Bill can be passed this session. Nor could any Government that succeeded in passing a Remedial Bill win the elections now so near at hand.

But there is hope ahead for the Conservatives if the things now under way are carried to a successful conclusion. The hope of the country and the party lies in Sir Donald Smith, who has declared his firm belief, notwithstanding what the Mail has said, that the Manitoba school question can be settled without Remedial Legislation. Sir Donald is the one man that can do this. Sir Mackenzie Bowell cannot do it. Sir Charles Tupper cannot do it, for they are both pledged to Remedial Legislation. Make Sir Donald Premier, with a reconstructed Cabinet, let him negotiate with Mr. Laurier, and then let him go to the country with his new program and the Conservative program.

Mr. Beidermann's Whereabouts. The absence of a College-Street Stationer disturbs his creditors. Fred Beidermann, who kept a cigar and stationery store at 467 College Street for the past two or three years, has left the city and is said to be in Brooklyn. Early on Monday morning the household effects and stock were removed from the store and since then several of Beidermann's creditors have been anxiously enquiring among the neighbors as to his whereabouts. He did not carry very extensive stock, however, and it is not thought that he owed much. Beidermann's wife and two young children are said to be staying with friends on Lippincott street, while it is supposed that the furniture and stock are at an auction room.

SIR CHARLES MEANS BUSINESS. Information for Criminal Libel Laid Against Messrs. Metcalf and Dunn. Messrs. Metcalf and Dunn, proprietors of the "Toronto News," were laid by Adam Burns against Robert McConnell, as editor, and John Dunn, as publisher, of the Chronicle, charging libel on the article in connection with Mr. McConnell's open letter of the 25th to Dr. Weldon, M.P., and Dr. Cahill. Summons were thereupon issued, returnable on Monday, when the accused will come up for preliminary examination.

REV. G. MICHAEL DEAD. The Pastor of the Catholic Apostolic Church, Toronto. Rev. G. Michael, pastor of the Catholic Apostolic Church, Toronto, died at his residence, 127 St. Nicholas street, on Monday, Feb. 23, at the age of 90. He was a native of Ireland and had been in Toronto for many years. He was a devoted member of the church and was highly respected by his parishioners.

THE ELDER BROTHER. Charles Stewart was Accidentally Killed While Hunting. Charles Stewart, a well-known sportsman, was killed while hunting on his estate near Toronto on Monday, Feb. 23. He was shot by a bullet which struck him in the chest. He was taken to the hospital but died shortly thereafter.

THE NEW COMET. Perrine's comet is reported to be traveling towards the earth at a tremendous rate, but unless it gets a little nearer, it will not interfere with our final new year's day. It is estimated that it will be visible to the naked eye on the night of the 21st of March. It is expected to be at its brightest on the 22nd of March.

TO KEEP YOURSELF IN HEALTH AND VIGOR USE TOTTI FRUITI GUM. See that the trade name, TOTTI FRUITI, is on each wrapper. Theobald's Hand, D.D.W., J. Lhamon, M.A., A. H. U. Colquhoun, B.A., J. E. Atkinson, Chas. P. Dwight, J. E. Mayles, W. A. Douglas, E. A. Mudge, Merton, J. J. Bell and John McCrae, all Torontoans, are contributors to the "Snap Shots at Deer and Moose" series, which is issued to-day. This number contains the second installment of Ian MacLaren's new story, and it is most charming reading. An illustrated story, entitled "Snap Shots at Deer and Moose," worth reading, as it is an illustrated article on the new photography by F. Tillemont Thomason. The photographs reproduced in this connection are in striking contrast to the crude illustrations given in the daily press.

FOR HONEST HORSE RACING

THE CANADIAN JOCKEY CLUB WILL BE INCORPORATED

An interesting session by the Private Bills Committee at Ottawa—Col. Tisdale Explains the Objects of the Proposed Bill as Arranged After the Promoters' Conference—Over Others.

Col. Tisdale, who has the measure in charge, explained its object. He said the bill was very extensive stock letters patent for promoting and holding exhibitions for the purpose of improving the breed of horses, regulating and managing race meetings and other matters connected with horse racing throughout Canada.

Mr. Hendrie, on being called upon, said that the bill was intended to incorporate the Canadian Jockey Club, which would be recognized by two jockey clubs and the members of one club would apply to the other.

Mr. McGreggor, M.P., contended that the bill was not a good one, and that it would be a disadvantage to the horse racing industry in Canada. He argued that the bill would give too much power to the promoters and would be a disadvantage to the jockeys and the public.

Mr. Weldon, on being called upon, said that he was in favor of the bill. He argued that the bill would be a benefit to the horse racing industry in Canada and would be a disadvantage to the promoters and the public.

Mr. Boylston, on being called upon, said that he was in favor of the bill. He argued that the bill would be a benefit to the horse racing industry in Canada and would be a disadvantage to the promoters and the public.

DR. WELDON GETS A DEPUTATION TO MEET THE GOVERNMENT. With a View to Securing Some Modification of the Remedial Bill, as to Making it Acceptable to All Parties—General Caucus of the Party on Tuesday.

Ottawa, Feb. 23.—(Special)—The meeting of private members of the Conservative party in room 18 this morning was fairly well attended. It was not unlikely that important results will flow from it. There was a ready arrangement for the proposed Winnipeg-Duluth Railway, which would have access to wheat fields over 2500 miles in extent.

Mr. Weldon, on being called upon, said that he was in favor of the bill. He argued that the bill would be a benefit to the horse racing industry in Canada and would be a disadvantage to the promoters and the public.

MR. LISTER GOT RATTLED

WHEN MR. MCGILLIVRAY TAUNTED HIM ABOUT COAL OIL DUTIES.

The Member for West Lambton Grew somewhat Personal When He felt Hurt—But Discussing the Budget Speech in the House of Commons—the North Ontario Election.

Ottawa, Feb. 23.—(Special)—At the opening of the House this afternoon Sir Charles Tupper informed Mr. Martin that the Government did not propose to bring down a statement of accounts in connection with the World's Fair. He could help himself to them in the public accounts.

Mr. McGillivray (North Ontario), took exception to the remarks made by Mr. Casey respecting the election in North Ontario. He denied the claim that the election was not a pronouncement in favor of the Government's fiscal policy.

Mr. McGillivray resumed the Budget debate, showing that Mr. Laurier and other Liberals had at times advocated protection in the wool and silk industries. He said Mr. Laurier, for some time past, had not advocated the removal of the tariff on wool.

Mr. Lister got rattled when Mr. McGillivray taunted him about coal oil duties. Mr. Lister said that he was in favor of the bill and that he would be a benefit to the horse racing industry in Canada.
