The Murderer Indifferent.

The trouble between the residents of Saltfleet Township, and the H., G. & B. Railway Company has broken out in a fresh pace. The company has refused to grant the Saltfleeters the privilege of purchasing 1000-mile books; and a suit between the Township Council and the company over the Red Hill crossing is pending. For some time Saltfleet has been looking for slips on the part of the railway officials, and on Friday afternoon George Cope and Albert Carr, conductors, were tried before Magistrate Hart at Winona on the charge of overcharging G. B. Henry, Saltfleet's treasurer. The evidence showed he was charged 10 cents for traveling two miles from a point in Saltfleet to a point in Grimsby Township, when complainant contended he should have paid only 5 cents. Conductors Fined.

Burwell, the speaker of the afternoon, is a new comer to Toronto. He declared that we must close up the saloon as the only hope of the people. The saloon was simply the devil's missionary society—the dark lantern association of Canada. The story of the drink traffic and drinks doings in every country was the opening of the devil's serap book. You cannot protect the saloon of Canada and the homes of Canada at the same time. The working man cannot support the saloon and suppy the comforts of his home too. The right side of the saloon is the outside. In the saloon was found the devil's way to man and man's way to the devil. There might well be written over every saloon door, "Only a few steps to hell."

Getting Out of Patience.

Washington, D.C., Feb. 11.—The latest literary outbreak of the Filipinos now in Washington, in giving for publication letters purporting to have passed between General Otis and Aguinaldo, has rather strained the patience of the Administration. After the flight of Agoncillo and some of the Junta to Canada, the fate of the remaining Filipinos was considered by the Cabinet. It was decided, as one of the Filipinos now in town was sick and the other was here to care for him, that on humane grounds it was well to let them remain unmolested. But their atext offence has brought them under consideration again, and some officially stated to-day that if they persist in their propaganda they will be expelled from the country.

FILIPINOS CLAIM TREACHERY.

All Quiet on Sunday.

Manila, Feb. 12.—(4.15 p.m.)—Contrary to general expectation, all is quiet along the entire line, nothing having happened up to this hour to disturb the peace of Sünday.

Acting upon instructions from Malolos, the Filiptinos remained strictly on the defensive and finally retired in good order, without any loss of arms, artillery or ammunition. Two old Krupps of an obsolete pattern, mounted on the fortress of San Antoulo, were captured. The fighting was very stubborn and lasted continuously from Saturday to Tuesday.

Reub Fax at the Grand To-Night.

In Mr. Reuben Fax, Toronto has given to the American stage one of its best actors, according to the metropolitan eritics, and his appearance in a stellar capacity at the Grand opera House this week in the latest New York comedy success, "That Man," will be of great interest to his large circle of friends and acquaintances in this city. His Theophilus Mountjoy, professional jealousy-arouser, in this piece, is described as being the best comedy character sketch New York has seen in years. All the critics join in praise of the play as the funniest of the season's productions, The engagement here will be for the entire week, with matinees Wednesday and Saturday.

Merriment at the Princess.

A bright and sparkling comedy will be given at the Princess Theatre for the first time this afternoon. "Mixed Prekles" is one grand conglomeration of fun. There is not a still moment in the action, and there is not a sentence without a laugh. Mr. J. B. Polk, the author, played in the piece for 900 consecutive times and Mr. James K. Hackett made it his own for one genson. The characters at the Princess are all well adlotted, Mr. Bartley McCullum being Hiram Brown, a jovial ancient; Mr. Harry Shumer, Babylon Jordan, of a staid and sombre turn of mind; Miss Eleanore Browning, Cherry Brown, simple and devoted; Miss Andrews, Mrs. Brown, the terror of Hiram's life; Miss Nettle Marshall, Susie, a pert. "sassy" zirl of a merry disposition; Miss Walters, Lucinda Sniggins, of teameting notoriety; Mr. Barry O'Neil, Professor Pickles, of learned and solemn demeanor, and Mr. T. J. Grady, Joseph Pickles, his brother, a confirmed practical joker and a bad man generally. The comedy is in three acc.s, each of which is a mirth-maker. In addition to the play, the much-talked-of electric bells will be heard for the first time in Toronto, chaiming forth from unexpected parts of the house.

In spite of the numerous concerts at this time of the year, it is very evident from the rapid filling up of the plan now at Gourlay, Winter & Leeming's that Mr. Tripp is to have an exceedingly large audience at his recital on Tuesday evening in Association Hall. As announced in another column, Mr. Tripp will be assisted by Miss Lina Dreschler Adamson, violinist; Miss Dora L. McMurtry, soprano; Mr. Bruce Bradley, tenor, and Miss Shipe, accompanist.

The British Canadian Band gave their seventh concert last night at the Bijon Theatre. A very large audience was in attendance and the program given was an excellent one. Dreadful Suffering by a Newmarket Woman.

Face Would Swell Until Her Eyes Were Closed - How Relieved.

NEWMARKET, ONT .- "I have had a good opportunity of noting the great medicinal powers of Hood's Sarsaparilla. My wife has been a sufferer from catarrh for the past four years, and the disease had gone so far that the bones of the nose had become affected and particles had come away through an opening in the left side. Her eyesight was also affected to the extent that for nearly a year she was unable to read for more than five minutes at a time. She suffered

and at times was almost distracted. She was treated by four different doctors, one of whom was a specialist. They all said they could not do anything for her, as the disease had gone too far. Her nose would swell about every three days until her eyes would almost be closed. Then it would break through and the swelling would subside for a day or two. About Christmas she commenced taking Hood's Sarsaparilla, and since that time has steadily improved. She has not been troubled with any swelling since, and the sore on the side of the nose has all healed. She is on the road to a complete cure. I cannot speak too highly of Hood's Sarsaparilla, and I cheerfully recommend it to any person who is suffering with catarrh." W. H. FURSIER.
