Pierce's Common Sense Medical Adviser. Over 1,200,000 American homes contain copies of this work. It used to cost \$1.50; now it is free. For a paper covered copy send at one-cent stamps, to cover customs and mailing only, to the World's Dispensary Medical Association, Buffalo, N.Y.; French cloth binding, 50 stamps. This great book tells all about a medicine that is an unfailing cure for all weakness and disease of the delicate organs distinctly feminine. That medicine is Dr. Pierce's Favorite Prescription. During the past thirty years many thousands of women have used it with marvelous results. It imparts health, vigor, virility, strength and elasticity to the organs that bear the bur-dens of maternity. It fits for wifehood and motherhood. Taken during the period of gestation, it makes the coming of baby easy and almost painless. It completely ban-ishes the pain and misery that are the re-sult of a woman's neglecting her womanly health. Schaffner, of Freemansburg, North-ampton Co., Pa., writes: "It is with pleasure that I write to let you know the great good I have seceived from your medicines and the local self-treatment at home. I was troubled with female weakness, had pains in my back all the time, sometimes so severe that I could not lie in bed at night. I tried different doctors but they could not help me. Then my husband got Dr. Pierce's Common Sense Medical Adviser, and induced me to try Dr. Pierce's medicines. After taking six bottles of the 'Favorite Prescription' I feel like a new woman."

Meets Death at Sea. Word has been received by Mr. Joseph Lacey of 142 Simcoestreet, of the death of his brother Charles, who was drowned last month off H.M.S. Mosquito near Chinde, East Africa. Deceased fell off the con-ning tower and struck the side of the vessel in his descent. The vessel was brought to a stop and the unfortunate man rescued as soon as possible. In falling he cut his head and suistained internal injuries, which re-sulted in his death two hours later. It was the intention of deceased to come to Canada as soon as the Mosquito reached England. He had served 14 years in the Royal Navy on foreign service. Taken to Cooksville. County Constable Rutledge of Cooks. Ville came into the city yesterday armed with warrants for the arrest of Frank O'Hallarn, Wilton-avenue, and George Whitesides of Sydenham.
