French soldiers arrested. One in-
jured—Three arrested.

Paris, Nov. 7.—The government arbi-
trators announced their decision to-
day increasing the wages of the
striking miners in the Department Du
Nord. The grounds of the decision are
similar to those in the Pas de Calais
strikes.

At Lens (Pas-de-Calais) there was a
clash today between strikers and cav-
alry. The former throwing bricks at the
latter. Gendarmes who intervened were
also assaulted with bricks. One sold-
ier was injured and three arrested were
made. Through the Pas-de-Calais coal
district the strikers are making noisy
demonstrations.

A Jewish Bazaar.

The ladies of Holy Blossom congre-
gation have for the past few months been
busily occupied in making preparations
for a grand bazaar, which will be held
shortly. The Mayor has consented to
open the bazaar. This is the first time
in the history of the Jewish community
of this city that such an undertaking
has been carried out. It is expected
that it will be a great success in many
ways. Some of the work is most ex-
pensive. The ladies have been assisted
by friends in England and this city.

CATARH CAN BE CURED.

Catarh is a kindred ailment of con-
junction, long considered incurable; and
yet there is one remedy that will pos-
sibly cure Catarh in any of its stages. For
many years this remedy was used by the
late Dr. Stevens, a widely noted authority
on all diseases of the throat and lungs.
Having tested its wonderful curative pow-
ers in thousands of cases, and desiring to
relieve human suffering, I will send free
of charge to all sufferers from Catarh,
Asthma, Consumption and nervous dis-
eases, this recipe, in German, French or
English, with full directions for preparing
and using. Sent by mail by addressing
with stamp, this paper, W. A. No-

AT THE THEATRES NEXT WEEK.

Next week's attractions promise ex-
ceedingly well. "The Sign of the Cross," Wilson
Barrett's remarkable drama of Rome dur-
ing the time of Nero, comes to the Grand.
It was first produced at the Lyric Theatre,
London, five years ago, and continued there
for two seasons. Since that time it has
met with great success everywhere. Mr.
Barrett found it the most successful piece
in his repertoire during his recent tour of
Australia, and it has been translated into

French, German and Italian. The present
production is under the management of
Fred G. Berger, and is making a show-
ing of the leading Canadian cities. The
religious and historical atmosphere of the
drama attracts many people who are not
habitual theatregoers.

The great chorist race scene in "Ben
Hur," which will be given a masterly
presentation at the Princess Theatre, begin-
ning on Monday night, is undoubtedly one
of the most realistic ever put on the stage.
Two chorists, each drawn by four horses
are shown apparently racing with all their
power. Messala leads; Ben Hur smashes
the wheel of the opponent's chariot, and
the Roman falls beneath the feet of his
horse as the hero wins the race. The other
stage of the Princess Theatre had to be
reconstructed to permit of it. The other
two chorists are hardly less effective. The
sinking of the Titanic shows the interior
of the vessel, with a score of slaves work-
ing at the pumps. The vessel sinks and
Hur and Arrins are revealed floating on a
raft in the Aegean Sea. Two other shows
the cleansing of the lepers on the Mount
of Olives, where hundreds of lepers have
gathered to see the Nazarene's entrance in-
to Jerusalem. Suddenly a great shaft of
white light appears and moves slowly past
the multitude, who bow in reverence, for
the light is symbolic of the divine pres-
ence.

This afternoon and evening "Sherlock
Holmes" will pit his skill against the can-
nying of his adversaries at the Princess
Theatre for the last time. Telma, Talma
and her troupe will present a masterly per-
formance at the Grand, prepared especially for
the occasion of his last appearance. The
usual mystery of the "Hound of the Baskin-
shires" will be given, and the usual mys-
tery of the "Hound of the Baskin-shires" will
be given. The splendid bill at the Grand has
large audiences all week. The Grand and
Star have also had steady patronage.

St. JACOBS OIL Cures Rheumatism.

Mr. Alexander Ambrose, of Stab-
ton, Darnham, near Salisbury, had
a long time been a martyr to rheu-
matism. After suffering for weeks,
and having tried many remedies, all in
vain, I was in such a condition I could
scarcely get about. I used St. Jacobs
Oil, and I am most happy to state that
the contents of less than one bottle
completely cured me. That was two
years ago, and I have felt no symptoms
of returning pain since.
