Wanders Walloped Toronto.

Wanders met a strong eleven of Toronto C. C. on the latter's grounds Saturday and pulled out a nice win, notwithstanding the great efforts of Sheather.
Gillespie and Reade, with the ball. Toronto started the batting, but Gillespie, Reade, Kirschman and W. W. Saunders were the only ones to make any kind of a stand against the Wanderers' bowling.
McCaffery took five wickets for eight runs. Brown and Axley did well also. The inning closed for 110. Wanderers lost Featherston, Firth and Brown for 15, but Levy 50, McCaffery Zl, and Axley 10, not out, encouraged the rest, and finally won by two wickets and 14 runs, Sheather and Gillespie being the best of the many Toronto bowlers. The above cut represents a bird's-eye view of Lawrence Park, the new and beautiful suburban residence district in North Toronto.

It has been laid out by an eminent English surveyor and landscape gardener. As you can see, there is a wide park or

sunken garden, or ravine, as you might call it, between it and Yonge street. This park is to be left free and open, its running stream, wooded banks, grassy slopes, etc., being for the common benefit and enjoyment of all property owners in Lawrence Park. The property is owned by the Dovercourt Land, Building and Savings Co., Ltd., of 24 Adelaide street east, Toronto, and lots are offered just now at extremely attractive prices. It would be well to communicate with them if you are interested in the great
