Canadiens Win From Quebec in Overtime

MONTREAL, Feb. 26.—Canadiens de-feated Quebec here Saturday night, 5 to 4. the winning goal being scored in over-4. the winning goal being scored in over-time. The game was exciting, but not so much so as a free fight which follow-ed immediately after the game. Joe Hall of Quebec's defence, started the trouble by striking Arbour, who substi-tuted for Corbeau on the Canadien de-fence. Players on both sides rushed into fence. Players on both sides rushed into the melee and a number of spectators also were in the mix-up. The police were hastily summoned, and succeeded in stopping the row without making any arrests. Inasmuch as the fight took place after the playing time had expired the bockey officials could not penalize the offenders. In the second period Moran struck Pitre, the latter retaliating by using his stick on Moran's jaw and knocking him out for a while. Pitre was given a major foul and Moran a warning. Teams:

BASKETBALL.

Some fine exhibitions of this game are being given in the Commercial Basketball League playing at the West End Y.M.C.A. Saturday night Spauldings and Perths hooked up. The score was close for the entire game. Perths finally winning by 39 to 32. Half-time score 18 to 12. When one considers that the Perths are a new team in the league, being formed to take the place of the 30th Battery team, which had to withdraw cwing to their unit being called from the city, their win is all the more creditable. For the Perths Gerry was the shining star, scoring 17 of the 39 points, while Farrell was high scorer for Spauldings with 12.

The second game was a walk over for Firestones, beating Cook & Bolton to the tune of 61 to 12. C. & B. have some excuse, however, in the fact that they played two new men—replacing two who enlisted last week.

The line-ups:

Perths (39): Patterson and McDonald, forwards; Stone, centre; Gerry and Manser, defence.

Spauldings (32): Farrell and Branston, forwards; McGowan, centre: Smith and Jenkisson, defence: Fraser, spare.

—Second Game—

Firestones (61): Lioyd and Aldred, forwards; Hurst, centre; Griffiths and Newton, defence.

Cook & Bolton (12): Jenkisson and Verney, forwards; Camm, centre; Spicer and Giles, defence.

CENTRAL Y PLAYERS BEAT DETROIT VOLLEYBALL, HANDBALL, BASKETBALL

Interesting International Contests in Local Gym-Visiting Marksmen Win in Armories-Visitors Entertained at Dinner After the Games-Prominent Citizens Attend.

In the Central Y.M.C.A. gym on Saturday afternoon the Detroit Y.M.C.A. business men met the local merchants in numerous contests, in which Toronto The gym program started at 2.45 with

was most successful.

The gym program started at 2.45 with a volley ball game between Detroit II. and Toronto II., and it was an excellent exhibition. The Toronto boys were much the better and won in two straight games. The first being 15-3, and the second 15-10. H. G. Ratcliffe and R. S. Stockwell fed their front line most accurately, while G. A. Kingston and F. G. McKay missed few opportunities to kill the ball for a score.

The basket ball game was looked forward to as the best of all, but proved to be all one-sided. The Toronto men had much the stronger team. Harry Peacock's shots were most accurate, he getting no less than six in the first half, while the rest of the team combined with him in a dazzling combination that simply bewildered the visitors, and the first half ended 21-4 in Toronto's favor. Detroit made a couple of changes for the second half, which made quite a difference, but the game ended 38-17.

Exciting Volley Ball.

When the first volley ball teams lined up and started what proved to be one of the best games ever played on the floor. Detroit were the first to score and ran up 4 points before Toronto scored. Then, thanks to the fine driving of Hull and Chisholm, the score was tied when lost service gave the ball to Detroit, who made the score read 6-4. When they in turn lost the service, and altho they had numerous chances they did not score again in this game, Toronto winning by 15-6.

The second game was a nerve racker, both teams working their hardest, and it was see-saw until the score was tied at 12 all, and again tied at 13 and 14 all, with Detroit serving. The ball passed back and forth several times, when, after some pretty combination the ball was passed to Dr. Modisett, who sprang high and made a slashing stroke for a line drive, but the ball went out of bounds and the serve went to Toronto with the interest intense. The ball was served true and returned and was passed by the Toronto team with speed and accuracy, the ball going at the proper moment to Benson, who slammed it into D

and Jeffrey in two games by 21-5 and 21-7 Then Mincherton and Beyers hooked,

singles, and again Toronto was the win-ner by 21-8 and 21-17.

Clever Basketball.

The last contest in the gym was a basketball game between the Detroit and Toronto centrals leaders clubs, and here

again Toronto was an easy winner, thanks to the excellent shooting of Allan McLean and the fine guarding of Tom Armour and McDonald. The game ended 22-1 in Toronto's favor.

Detroit Marksmen Win.

Detroit Marksmen Win.

While the games were in progress in the building the marksmen of the two associations were having their contest at the armories, and it was a most unusual struggle. Toronto was represented by Dr. J. E. Rhind and F. Madison, and Detroit's team was Dr. S. T. Sanderson and Dr. W. H. Honor, who has a great reputation in the United States as a sharpshooter. The first three men scored 29 out of a possible 35, when Dr. Honor took his turn, and his shooting was most remarkable, for he got six bull's-eyes, one inner, or 34 out of a possible 35.

After the games dinner was served in the central building and well-known Toronto and Detroit business men, including Hon. I. B. Lucas, Lt.-Col. Jolly, Dr. S. T. Sanderson, Mr. John Detor and John Tory made short speeches. The Toronto business men will visit Detroit next season.

James A. Gilmore, president of the Federal League, hinted during the night that the Flayers' Fraternity might put to a test the legality of the system under which organized baseball is conducted and that there was possibility of a players' strike before the season of 1916 is well under way. He said that the federal trade commission had asked for the league's documentary exhibit in the Sherman law suit recently dismissed by Judge Landis.

The Federal trade commission, it was explained at its offices in Washington, has no intention of investigating organiz-ed baseball. Commissioner Parry said the commission is making a collection of papers in all anti-trust suits and in line this practice has requested a copy ne complaint in the Federal League's
