FORESTERS HOLD **BIG CELEBRATION**

Court Sherwood Forest's 25th Anniversary Is Well Commemorated.

In the festivities of last evening the

fraternal spirit was much in evidence in the harmony and good-will of its members, and as they came in hundreds all seemed imbued with the oirthday spirit. They had come to in a right royal manner the silver birthday, and were not disappointed with the program, which was bristling with the brightest and best in Forestric, state and municipal

The toast was eloquently responded to by W. H. Hunter, B.A., supreme chief ranger, and G. R. Cottrelle, supreme treasurer. The supreme chief in responding, said he was glad that the name of Mr. Cottrelle, the supreme treasurer, was associated with him to respond on behalf of the supreme court, as the arduous duties of the treasurer had precluded his attendance at many of these functions, but

Bro. Cottrelle, the supreme treasurer, on rising, said this was his first visit to Court Sherwood Forest and he congratulated it upon attaining its twenty-fifth birthday. In his address the supreme treasurer gave a very minute and analytical address on the financial and economic conditions existing at the present time.

Bro. Cottrelle said that during the period of the war-reconstruction, cheap bonds, scarce money and high commodities—the I. O. F. made steady, healthy progress. In addition to its fraternal work it distributed, in 1920 alone, over \$4,161,000 in cash claims. At the same time it improved its assets, its interest earnings, and has over \$1,000,000 in surplus and special reserve, over and above insurance reserve and all other liabilities.
