AUCTION SALES

250 Horses

Tuesday, 150 HORSES

Nov. 19th, 100 HORSES

Sale commencing each day at 11 o'clock,

We are getting our shippers to send in the best kind of horses that there are in the country, and buyers attending any of our sales are sure to see the largest and best choice. Every facility and attention given for testing and shipping their horses to purchasers of carload lots, and to buyers of single horses equally.

A large number of Serviceably Sound City Horses will be sold at each auction, WITHOUT RESERVE.

A gentleman in the city has instructed us to dispose of his Victoria, which is a very smart carriage, equal to new, for the first reasonable offer. It will be sold at auction on Tuesday, if not previously sold privately.

BLANKETS.—A large consignment of Heavy Stable Blankets has been sent to us for sale, and we are selling these at auction and privately. They are great value.

Carriage and Harness Department

The best makes of all kinds of Carriages, Harness and Horse Goods of every description are on sale privately in The Repository Show Rooms. We manufacture and stock the very best grades of goods, and sell at lowest wholesale prices. A visit will show you the smartest ideas in driving outfits and all horse requisites.

We are Sole Agents for REDUCINE, the best of all Absorbent Remedies. Also for BITTERLICK, the great Conditioner, and FERNLOC, the body and leg wash for racehorses and roadsters.

Every horse sold under any warranty is returnable by noon of the day following sale if not fully as represented.

An opportunity offered itself in a glaring reversal of form-Stoneman, in according to the New to the contrary notwithstanding.

TO AMEND THE CODE.

IA Bill Promised That Will Affect Racing.

abolish altogether the provision in the cole that permits betting on incorporated race tracks. Doubtless, also, the conditions of the Hart-Agnew bill, at present in force in the State of New open and more or less straightforward system by complex and hypocritical methods that encourage dishonesty and make the poor poorer.

IN THE PRAIRIE PROVINCE.

How the Horse Industry is Flourish ing.

favored me with reports of the De- as for performers over four successive jumps. In this latter class Crow and partment of Agriculture at Winnipes Murray were fourth with The Wasp. for 1907 and 1908. By them I find that On Thursday Graham Bros. took third the horse industry is doing well and that the Horse Breeders' Act compelling the registration of stallions is working well. In spite of this, however, regret is expossed in the report for 1908 that "a large number of information of the stalling by the way, landed first for qualified methods."

Adam Beck captured third with Sir Ddward, and at michight on this same horse, a big bay gelding, by the way, landed if it was in any other capacity than as a private citizen. It was he it is Book afford a line on the number of said who designed that famous poster. ferior, unsound stallions are being used thru the province to the detriment of the horse industry. One wonders why, continues the report, "for the sake of saving a few" dollars, such stallions are utilized." Such stallions will continue to be utilized until inspection as well as registration is enforced and as long as the refuse of one province can be shipped to another without check states that the demand for horses of the draft class continue to be brisk, that a great many good brood mares, including a large proportion of regis-tered mares, have, during the past year or so, been purchased by farmers which those who love good, honest, that almost every district is now supplied with one or more high-class stallions and that the prospects are to be able to say also in the United number in the prairie province from happy-go-lucky 169,905 in 1908. Cattle have increased gatherings are being treated as out- in the same period from 173,250 to 409,-laws. If the law is powerless, by 785, and swine from 50,700 to 120,364, banding together decent people can but sheep have decreased from 35,400

Proportion of Success.

It is interesting to note that. National Guard." The horse of the National Guard

It has long been rumored that a in hearing, was by an Arabian stallion

aveniport said:
"It won't please the directors a bit have to admit that that mare won. They thought I had nothing but Arabiens. They refuse to have an Arabian class just to keep my horse out. That is because I have made cartoons of August Beimont, and he has used his influence with horse people to fraeze me out. So I have entered my Arab-ians in other classes, and when their unfashionable long tails appear in the ring I know they'll get the gate at the first flash. But if I keep it up enough years they'll have to create distinct Arabian class."

Crow and Muuray started to win early, for on the morning of the first day their three-year-old hackney filly Oak Park Belle captured first. The same firm's Wasp took first on the same day in the jumping class, E. H. Wealthenbee's mountainous Thoonite getting second, Crow and Murray's Confidence third and Geo. Pepper's Myopia fourth. On the second day it rather looks as if in the Clydesdale own way. In witness thereof read: Stallions, two - year - old.—Grahan Brothers' br. Baron's Fancy, first; Hodgkinson & Tisdale's b. Abbey Blacon, second; Graham Brothers' Duke of Montrose third.

Stallions, three-year-old.— Graham Brothers' br. Meteor, first; Hodgkin-son & Tisdale's b. General Favorite, second; Graham Brothers' b. Comiston,

Stallions, four-year-old or over. Graham Brothers' br. Gartly Pride, first; Holgkinson & Tisdale's br. Royal Baron, second; Graham Brothers' br. Boreland Chief, third.

Stallions for championship cup offered by Alfred G. Vanderbilt.—Gra-ham Brothers br. Gartly Pride, first; Graham Brothers br. Meteor, reserve. Stallions, two - year-olds.—Graham Brothers' b. Chosen Fancy, first; Graham Brothers' b. Lady Fergles, second. In the other breeding classes Canada was not represented by exhibits, but, strangely enough it was in judges, as witness Dr. Andrew Smith the sole judge in thorobreds and Professor Carlyle, a grauste from Canada, and Robert Graham, of Bedford Park, Tor-onto, judges of Belgiem and Percher-ons. A regrettable feature was that jumpers again Canada was honored by the appointment of Veterinary Doc-tor Charles McEachren of Montreal, as a judge. In these classes James Miln's

ectress General, by Director General and third for pairs in the competition for the Delatour Challenge York, prohibiting bookmaking, will re- Orom Belle and Moko Bird. I forgot ceive attention. At that, all that can be affected is the introduction of chaos for order. On appeal it is not to be doubted that the higher courts of justice in Canada will decide that oral william Hendrie, who agreed with hotting courts betting the court of the c betting cannot be prevented. What Major Tread of the United States follows then? The replacing of an army, in the following awards: For middleweights, up to carrying 180 pounds, to be ridden by officers in uniform-Major the Hon. J. G. Beresford's b. m. Flighty (owner), first; Jacob B. Perkins' b. s. Climax (Lieutenant J. S. Hammond), second; Lieutenant Gordon Jonston's br. g. Branton (owner), third; Lieutenant J. C. Montgomery's br. m. True Dora (owner), feurth. Hon. Adam Beck got third in the contest for three qualified Stock Association of Manitoba, has second with the bay gelding Sir Thomwith their hackney b. b. Critic. Hon. Board of Directors of the National Horse Show Association.

HAMBURG'S RIVAL.

The report further When Uhlan Went Faster Than His Record.

The death of Hamburg Belle has reattracted attention to Uhlan, 2.031/2 her greatest rival. Uhlan, now owned by Charles Sanders, a Boston, Mass., business man, was bred by Arthur H. Parker, of New Bedford, who used selves, namely, on the fact that the encouraging. The report on its face the black gelding as a buggy herse higher-lass racing organizations are looks a bit contradictory but as far as when he was a youngster and sent holding together for the common good.

Not only in Canada, but it is joyful satisfactory. Horses have increased in the amateur races of the Gentlemen's Driving Club. After a short States, those who took part aat these 88,000 ((evidently estimated) in 1893, to preparation he trotted a mile in 2.13% in one of the matinees, driven by his owner. Mr. Sanders saw him, him, and bought him on the spot for about \$2500. Robert Proctor who has trained and driven Uhlan ever since predicted a record of 2.07 what they appear to be doing. By a lapse, the entries of Stoneman and other horses that raced at Dufferin Park were accepted at Latonia. To Canadians Have More Tman Their young trotter's second public race, a record of 2014 when he gained a record of 2.07%. At the close of the season Proctor set 2.02 as the mark for Uhlan in 1909. Altho he did not receive credit in the York form of a record for so doing, the geldisap-ing actually trotted a mile much fastmuch better company than he had been racing in, won at 8 to 1. Promptly his owner was told that his room was preferable to his company. A continuance of such action, with the international event for military present are agreed that he got off aid of the public opinion, will relegate chargers. Still the appearance of more than half a length behind the outlawry to the dust-heap and bury it, Lieut. Winfield B. Sifton of the Canthe idiotic administration of the law adian Guides (intelligence branch) in 2.0114, after having trotted on the saved the title from being a misnomer, and the delighted crowd forgot the scratched horses when the blue ribbon a 2.01 clip covers 43½ feet in a second. went to a horse of the New York Thus the dead Humourg Belle had surely very little on Uhlan.
