

The Rosy Bloom On a Woman's Cheek

Is the most alluring beauty in the world. It is a prize within reach of almost every woman, if she will but give proper attention to her skin and her general health.

The evil effects of raw winds, dust, extreme cold, working in overheated and steamy rooms or in bad air, can be counteracted by using

NA-DRU-CO Ruby Rose Cold Cream

This is a snowy-white preparation with a delicate rose perfume. It cleanses the skin, nourishes and fills out the deeper tissues, smooths out wrinkles and imparts a velvety softness, free from roughness, redness or chaps. It keeps the skin healthy, and Nature supplies the rosy bloom.

NA-DRU-CO Witch Hazel Cream

Is a delightfully soothing preparation of Witch Hazel, presenting all its wonderful cooling and healing properties in a most agreeable form.

For the skin irritation which winter brings—chaps, wind-burn, cracked lips, frost-bites or chilblain—it is a remedy as pleasant as it is effective.

ARNOTT INSTITUTE

The work of the ARNOTT INSTITUTE in treating Stammerers and Shutterers is becoming more and more widely recognized as perhaps the most successful on this continent.

Following our own scientific methods, the Institute treats the CAUSE of stammering—not the habit itself. It teaches the patient why he stammers, and once he understands that, it is comparatively easy for him to learn, in from five to eight weeks, how to speak fluently and naturally, without any of the objectionable manifestations commonly taught.

As he knows why he is speaking correctly, the cure is permanent.

If you know anyone who stammers or shatters, in kindness to them advise them to consult the ARNOTT INSTITUTE.
