

Sir,

I have to call your attention to official letter of the 7th July last, enclosing file 99258 relative to a wood situated at Innu Lorette which the Indians are desirous of reserving for their own use & I ^{have} to inform you that the Indians interested therein are pressing for a decision. I have therefore to request that you will give an opinion in regard thereto as soon as possible.

W. J. G. G. G.

Yours very truly
