Dear Sir:

MICHIPICOTEN HARBOR LANDS
GROS CAP INDIAN RESERVE.

Referring to your favor of the 21st ult. I now return herewith the description sent me to be inserted in the Patent of these lands to the Algoma Central & Hudson Bay Railway Company. The description, with the two slight changes, noted in pencil, is now in order.

I should be very much obliged if you would have Patent issued to the Algoma Central & Hudson Bay Railway Company as soon as possible.

Yours truly,
