COUNCIL MEETING.

NOVEMBER 3RD, 1887.

Present—Major J. H. Parks, President, Lieut.-Colonel Armstrong, Captains Kinnear and McRobbie, Major F. H. Hartt, Mr. P. A. Melville, Staff-Sergeant Lordly, Sergeant Bourne, Corporal Parks, Mr. C. T. Burns, and Captain J. T. Hartt, Secretary.

The minutes of the preceding Council meeting were read and adopted.

The President briefly expressed his gratification at being re-elected President at the annual meeting, as did also Mr. P. A. Melville at his re-election to the Council.

The minutes of the annual meeting were read and the several suggestions to the Council therein contained were taken up. These were that the number of shots in the Snider Extra Match be reduced to five; that an additional extra series target be provided, and that the Battalion Teams in the Maiden Match consist of three members each.

The Executive Committee was directed to carry out these several suggestions.

The circular from the Secretary of the N. R. A. in regard to the use of Wimbledon Common was then considered.

Moved by Major Hartt, seconded by Staff-Sergt. Lordly—
