WANT

advertising is merely selling with the printed instead of the spoken word. If the "talk" (copy) isn't just right the want ad doesn't inform and cannot do its work.

Why is Prison Life So Dreary?

Prisoners do not get much change of scenery. Their traveling is strictly limited to a few square yards of territory.

That is one reason why prison life is so monotonous and dreary and benumbing.

Sometimes people who are perfectly free to travel where they will, unconsciously fall into a rut—they move about in a narrow circle, traversing the same streets every day, always seeing the same things over and over again.

Can you wonder that life also seems dreary to these people?

Everyone needs variety of scenery, variety of experience and the automobile helps one to get this as nothing else does.

You cannot begin to measure the beneficial effects of motoring until you actually own a car and experience the glorious freedom which it brings to you.

You may have thought about buying a car many times—you may have thought about it in a more or less vague sort of way.

Why not make the decision today—why not get down to earth and choose your car this very afternoon.

The classified advertising columns of The Times-Star present a convenient list of the worth while used car offerings in the current market.

Consult this list—right now.
