Suffered With Boils Last 5 Years

Boils are simply a breaking out of bad blood, and anyone who has suffered from them knows how sick and miserable they make you feel. Just when you think you are cured of one, another seems ready to take its place and prolong your misery. All the poulticing and lancing you can do will not get rid of them.

While the skin appears to be the cause of the irritation the real disease is rooted and to get rid of these painful pests it is necessary to get right at the seat of the trouble.

When the blood is purified, cleansed and vitilized, by Burdock Blood Bitters, the boils will quickly disappear, your misery is at an end, and health and strength come back again.

Mr. Robt. Johnson, Barkway, Ont., writes: "I have suffered very much, during the last five years from boils, having as many as five at once. I tried different remedies without any relief. I was advised to try Burdock Blood Bitters, which I did, and after taking just one bottle I have had no more boils."

Dodgers Want a Fielder.

Boston Globe: Wilbert Robinson of the Dodgers is in the market for a new outfielder. He says he is convinced that Nea, who looked so good here, will not be able to stand the every-day strain of the campaign his first year out and that the boy will be all the better another season for being allowed to go easy through 1920.

Robbie has been offered Meusel, an outfielder, by Gavy Cravath, but the Philly manager wants two pitchers and the Dodgers' staff is too good to be up-let very much. Robbie might hand Mamma over, however.

Nea has been hitting for about .150 and Meusel a little above .200.
