SKATING DUFFY HOME

Mark M. Duffy arrived home Saturday night from Charlottetown after winning the maritime championship. Duffy is loud in his praise of the treatment he received in Charlottetown and says he thinks he can defeat any amateur in the world for a quarter of a half-mile race in the Charlottetown rink or in the Victoria.

THE BOSTON SIX DAY RACE.

BOSTON, Feb. 9.—Sensational sprinting characterized the last half hour of the instalment of six day roller skating at the Park square rink last night. Fully 4,000 men and women watched the speeders, Williams and MacDougall early tried to shake off the Hamilton-Brennan team in an effort to get another lap, but failed.

CURLING.

THISTLES DEFEAT ST. ANDREWS.

The first of a series of three matches between the Thistles and St. Andrews clubs was played on Saturday afternoon and evening for the Raymond trophy and proved a victory for the Thistles with a majority of 37 points. The following is the score by rinks: AFTERNON.

Table with 2 columns: Rink Name, Score. Includes St. Andrew's Ice, C. Baillie, R. T. Leavitt, W. A. Lockhart, E. S. Robertson, skip 100.12.

THE TURT.

OTTAWA, Feb. 10.—The Ottawa ice races closed Saturday in a warm fashion. The crowd was in possession of the track for a couple of hours, guns were flourished and a call had to be sent out for extra police before the races could be finished. The trouble occurred over the free-for-all, which was begun yesterday. Blackbird, the favorite, had been heavily backed and took the first two heats in hollow fashion, winning by margins. In the next heat the favorite, driven under the whip, finished third, Phoenix W. winning. The judges took down the driver and the fourth heat was won by Phoenix W., Blackbird finishing fourth.

AMERICAN HORSES BARRED.

Great preparations are being made for the Halifax exhibition races this fall. The Halifax Recorder published the following interesting data in connection with the big meeting:

A total of \$5,000 is offered in stakes for the race and a final of \$1,000 is offered at the seven days' meeting. In consequence of representations made by many horsemen throughout the province, Superintendent J. A. Johnson has decided that for this year at least the races will be open only to horses bred and owned in Nova Scotia.

ROLLER SKATING.

In the Queen's Rollaway on Saturday night there were two interesting races. The first, between Campbell and Hamm, resulted in a dead heat. The men started off evenly but in the first lap Hamm fell, losing some ground. Campbell, however, did not tarry easily after this and towards the last the men were again on even terms and crossed the line together. The time for the race was 3:40. Campbell and Hamm will probably meet again shortly.

HOCKEY.

CHATHAM, Feb. 9.—The league hockey match on Wednesday night between the Defenders and the Micmas was pretty evenly fought out, the Defenders scoring a goal and the Micmas two. The game was a feature that should be eliminated is long hitting. The game was a feature that should be eliminated is long hitting.

WRESTLING.

MANCHESTER, N. H., Feb. 8.—The repeated fouling of Alphonus Steurs, the Belgian, by the German champion, also resulted in a riot in mechanics hall this evening. The match was a work out, the Belgian managed to turn his adversary on his back with an armlock.
