In spite of Dr. Morris' fruitless visit

In spite of Dr. Morris' fruitless visit to Coldbrook last week, persistent rum-ors have been reaching the board of health that a case of smallpox was concealed there in the house of Mrs. Selfridge. Yesterday afternoon the doctor and Inspector Howard again visited the place, armed with authority to search the house and make full in-vestigation. They did so and definitely ascertained that no foundation existed for the report. for the report.

Mr. Stack and Willie McEwan hav

been let out of the Isolation haspital. Mrs. Irwin, the last patient admitted, has the disease in a very mild form and will not long be confined. Unless there are new cases the hospital should be cleard accit in March be closed early in March. I. C. R. OFFICER IN TROUBLE.

The Moncton Times in yesterday's ssue says that an I. C. R. officer has got himself into a mess through an indiscretion committed on a train en

route to Moncton. It is understood that the official became very familiar with a lady passenger, and when Moncton station was reached the offi-

cer and lady retired quietly, It was rumored about St. John last evening that the man in trouble formerly belonged to this city.

THE NEW COLORS OF THE FUSI-LIERS.

At the annual meeting of the officer experimenting with spiced smelts and of the 62nd St. John Fusiliers lately the Post learns, has struck something held the following resolutions were passed relative to the set of colors presented to the regiment by the ladies of St. John:

Whereas, during the visit of their royal highnesses, the Duke and Duch-ess of Cornwall and York, on 17th October last, this regiment was present ed with a set of colors by their royal highnesses on behalf of the ladies of St. John: and

Whereas, the movement was kindly organized and carried to a successfu conclusion by Mrs. J. H. Thomson who was untiring in her efforts; there

Resolved, that the hearty thanks of the lieutenant colonel and officers of this regiment be tendered to Mrs. Thomson especially, and to all the ladies who joined in the presentation, for their kindness and thoughtfulnes

on our behalf; and . Further resolved, that a copy of this resolution be sent to Mrs. Thomson and also published in the city newspapers.

> HENRY MAXWELL A Venerable Citizen Passed Away Wednesday Morning. The death of Henry Maxwell, which

occurred Wednesday morning at the home of his son-in-law, R. W. Mc-Carty, removes a man who linked the present with the far past in the his-

The

REMINISCENCE OF WILLIAM COBBETT.

~ QUE THE FACT APAR

THE NEW REMEDY FOR CATAARH IS VERY VALUABLE.

(Moncton Transcript.) William Cobbett in his Rural Rides describes how foreign travels dwarf youthful conceptions of the magnitude of hills in England. After being abroad he returned home and revisited Cooksbury Hill in the Upper. Thames-ration Ha cave. A Grand Rapids gentleman who epresents a prominent manufacturing oncern and travels through central représents a pr and southern Michigan, relates the egion. He says: "Therefore the first object that my following regarding the new catarrh

eyes sought was the hill. I could not "After suffering from catarrh of the head, threat and stomach for several years, I heard of Stuart's Catarnh Tablets quite accidentally, and like everything else, I immediately bought a package and was decidedly surprised at the immediate relief it affored me, lieve my eyes! Literally speaking, I for a moment thought the famous hill removed, and a little heap put in its and still more to find a complete cure after several weeks' use.

removed, and a little heap put in its-stead; for I had seen in New Bruns-wick a single rock or a hill of solid rock ten times as big and four or five times as high." The Transcript on Monday referring to this remark asked if any reader or porary of the Transcript could identify the hill in New Brunswick to-which Cobbett' refers? Today it re-ceives the first answer, which places

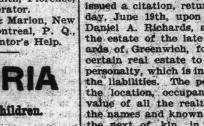

Westmorland county to the fore, with a strongly put case: Bditor Transcript-In your paper of the tenth instant you ask. "Can any reader of the Transcript identify the hill to which Cobbett nefers." I am quite sure the hill is Westmortand idge, the rocky backbone of the parish of Westmorland, which commences at Westmorland Point and terminates at Bay Verte, and a part of it is called

Cobbett during the close of the 13th century was a corporal in old Fort Cumberland, and it was there he purued the studies that prepared him for his after political and literary career in England. While in Fort Cumber-land he wrote his English grammar. Standing on the northern bastion of the old fort Cobbett would view The Rocks, raising their crests above the valleys on their east and west, and would be struck with the beauties of the scenery. Here and there he would
