Loyd's Work in the North West.

Bishop Newnham's Account of His Recent Visit to Lloydminster and What He Saw There.

To the Editor of the Sun:

Sir,-I am sure that many of your more of houses and stores, besides readers will be deeply interested in the ily; who knew that in a happier sphere They will probably need real assist feelings will be shared. I believe, by many others.

Yours faithfully. JOHN deSOYRES.

St. John, N. B., Dec. 20. In the middle of August Bishop Newnham, late of Moosonee, and now his first visit to Lloydminster, the remarkable new settlement which was

started last year. To reach the settlement the bishop nearly 200 miles in a buggy, sleeping at night in the rough huts or "shacks" on the way. He complains in his private letters that people would turn out of their beds and sleep on the floor in due time he approached Lloydminster. where he arrived on Friday, August 12. The following is his report of what

he saw: My arrival had been most heartily ing what follows you will bear in mind that (1) the "colony" covers a large tract of country, so that many came from fifteen to twenty miles or more, and had to provide themselves with food, blankets, and shelter for themselves and horses from Saturday till Monday. (2) It is a very busy timethe hay harvet - every hour is valuable, machines are short and attendance at Lloydminster meant self-denial; and (3) many of the colonists are tents, and devoid of ordinary conveniences and comforts.
