In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will surely fail. It may be a stomachic nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing muscles. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see it sold by All Dealers.

Empire Liniment Co. Ltd. Bridgetown, N. S.

Dear Sirs,

Your Capt. Burns gave me a bottle of your Empire Liniment at the Grand Hotel, Sydney, C. B. At the time I had contracted a very severe cold which settled on my lungs, and which confined me to my bed. A generous application of Empire Liniment on a flannel cloth relieved me so much, I was able to go home the next morning and my Doctor tells me I broke up a severe case of Pneumonia. I consider your liniment a splendid remedy and I have placed an order of your goods in my drug store and will push it on its merits.

Yours very truly,

J. W. McLean.
