Acadia eminary,

Mews Summary.

res.—The Indiantown, N. B., lime kilns raed out at least half a million casks of an in 1889. An increased output may leaded for next year, as many new less are to be built this winter.—The imports of Kings Co., N. S., for eventher were valued at \$7,973, duty lected \$1,600. The exports were laud at \$25,900, of which potatoes far shed \$10,045, the quantity being 12,549 cress.

irowned.

The St. Andrews Canning company us finding a ready market for all their pools. Two, thousand cases of their assurincture have been shipped this sea value of \$10,000.

The bees at Tweedside, Charlotte to, this season has yielded their owners, be Messrs. Swan and Mr. Burrell, alout hree tons of honey in the aggregate. The roduct is sent mostly to the St. John tarket.

A great deal of the augar imported Montreal and the West will be un-ted from the vessels at St. John here-or, instead of at Halifax. A wharf is ag prepared for the project, and the tload will shortly array.

t load will shortly arrive.

The visible supply of wheat in the teted States and Canada increased 2,000 bushels, the past week, and now regates 30,124,000 bushels as comed with 35,235,000 bushels as concedured to the control of last year.

N. R. Brown, Lower Brighton, the cassaon raised 1,213 bushels outs a 37 bushels sowing. They were thy of the small white potato out. It is bushels of Forest City outs, included in the above he threshed cashels.

usbels. The revenue for the five months ended was \$17,000,000, an increase early \$2,000,000 over the same neriod year. The expenditure was \$12,300, showing a slight decrease cond with last year. The surplus to 18 \$4,500,000.

in \$4,300,000.
In 1857 Captain James Bond sailed of Halifax, but neither yeasel nor was ever afterwards heard of. He \$5,000 in a local bank. There being eirs to the estate, the money has, irection of Probate Judge Shannon, handed over to the local govern-

— the cut of the party services the past year has aggregated 62,236,500 feet of lumber, 11, 00,000 of laths, and 13,729,000 of shingles. The cut of the Duluth district, including Cloquet and the St. Paul and Duluth road, is about 275,000,000 feet.

275,000,000 feet.

The Baltimore Sun says: "A great syndicate, with headquarters in New York, and doubtless with English capitalists in the scheme, has undertaken to buy up all the heavy cotton duck mills of the country and to conduct mills of the country and to consolidate them under the control of one great corporation. A capital of \$15,000,000 is required for the accomplishment of the enterprise.

Bown by the Sounding Sea.

— According to the annual report of the United States treasurer, "the amount of public moneys held by de-pository banks ran down during the last year from \$85, 125,11 to \$47,259,114, to result mainly of the voluntary acts of the banks in surrendering the deposits and withdrawing their bonds."

and withdrawing their bonds."

Safe, Sure, and Painless
What a world of meaning this sta
ment embodies. Just what you a
looking for, is it not? Putnam's Pa
less Corn Extractor—the great surepoorn cure—acts in this way. It main
no sore apots; safe, acts speedily a
with certainty; sure and middly, with
inflaming the parts. Do not be impos
upon by imitations or substitutes.

the physician to the late Empero Germany, has written expressly for Youth's Companion a most valuarities on "The Care of the Voic Youth." A similar article on "Care of the Eyes in Youth." has be prepared by the famous oculist, Dr. B. St. John Rooss.

An Ottawa despatch says: Mesars, in F. Saire, ex.M. P., and Grahan as, manager of the Nova Scotia Steel again, as on town in commedium with seventium of hist furnaces in the int there. M. Fraser, during the past concer, has restee the of hist furnaces in the int there. M.
