

the property of continuing any kind of litigation in the connection
which to us shall appear to be convenient in principle or practice
in order to have the best of both worlds. We have not a sufficient
number of members of this body to deal with the business
of the Association to appoint a Committee to investigate the
affairs and report the result of their enquiries to the Association
and they may be able to do so.

ARTICLE OF ASSOCIATION

The undersigned do hereby certify that they have read and
approved the following Articles of Association and have agreed
to be bound by them in all respects as if they were their own
deeds and have taken all such steps as may be necessary to give
effect to the same.
