## THIS IS INDEED SEVERE TEST

C. MATTESEN HAS HAD RHEUMATISM ALL HIS LIFE.

But Dodd's Kidney Pills Have Benefited Him so Much He Recommends Them to Others—Why They Always Cure Rheumatism.

Holberg, B. C., Feb. 12. (Special.) That Dodd's Kidney Pills will cure Rheumatism has been proved again and again. When the dread disease is making its first inroads into the system the cure is quick and complete. Where the rheumatism is of longer standing it takes longer treatment, but the result is always the same. Dodd's Kidney Pills always cure. Probably the hardest test Dodd's Kidney Pills have ever been given is in the case of Mr. C. Mattesen of this place. It is best stated in his own words: "I have been troubled with rheumatism all my life." Mr. Mattesen states, "but I am happy to tell you that I have received so much benefit from Dodd's Kidney Pills that I can recommend them to others."

Here is a case of the longest possible standing. But Dodd's Kidney Pills will surely cure it. Why? Because the acid in the blood is the cause of rheumatism, and Dodd's Kidney Pills take the acid out of the blood by making the kidneys do their proper work.
