

LORD SELKIRK'S WORK IN COLONIZING OF CANADA TOLD OF BY LECTURER

Rev. Dr. Bryce Delivered Interesting Address Before Women's Canadian Club -- Many New Members Elected -- Work on the New Electric Sign of Welcome.

"Lord Selkirk, the pioneer of Canadian Colonization," was the subject of the lecture given by Rev. Dr. Bryce of Winnipeg, before the Women's Canadian Club, yesterday afternoon in Keith's assembly room. Mrs. E. A. Smith presided and introduced the lecturer.

Dr. Bryce, who is well known on the lecture platform, and equally as renowned as a writer of history, is an entertaining speaker and his lecture, replete as it was with anecdotes of Western Canada and interesting sketches of pioneer days in the prairie provinces, proved highly entertaining to the audience which taxed the capacity of the room.

In dealing with the subject of Lord Selkirk, the lecturer vindicated the earnestness and energy of the pioneer colonizer, his enthusiasm amid obstacles, and extensively outlined the work which Lord Selkirk set out to accomplish. After laying the foundation of Prince Edward Island, he directed his attention to colonization of the Upper Provinces, then to the prairie provinces where through his persevering efforts and indomitable enthusiasm despite adverse conditions the flag of England was soon floating in the breeze.

The lecturer first gave his hearers an interesting sketch of the family of Lord Selkirk, and a synopsis of his early career.

To his love for the Highlands of

when it came was rapid, were admirably described by the lecturer, Lord Selkirk had been accused of selfishness, he said in conclusion, but an effort to help his fellow countrymen better themselves in a new land was the chief motive of his colonization work.

At the conclusion a hearty vote of thanks was tendered the lecturer by the President, Mrs. E. A. Smith, on behalf of the club.

At the business meeting which preceded the lecture, the reports of the secretary, treasurer and various committees were read. The convener of the education committee, Mrs. E. A. Smith, reported on the free lecture course. The committee which have had in hand the erection of the welcome sign to greet the newcomer to Canadian soil reported that the work on the sign is now going on. The sign, which will be illuminated at night, is to be erected at Sand Point, will be 38 feet long and 44 inches wide, the words "Welcome to Canada" to be made up of electric lights.

The following new members were elected at the meeting: Mrs. S. Givran, Mrs. F. Sancton, Mrs. Hilyard, Mrs. R. G. Wallace, Mrs. Gershon Mayes, Mrs. Harold Mayes, Miss Bertha Brittain, Miss M. G. CHURCH OF ENGLAND SYNOD COMMITTEES IN SESSION YESTERDAY

Executive and Sunday School Committees Receive Satisfactory Reports—Deficit in Diocesan Fund Reduced.

The Executive Committee of the Synod of the Church of England met in the Church of England Institute on Gorman street yesterday afternoon. His Lordship Bishop Richardson presided. About twenty-five of the members of the committee were present and received the reports of the Board of Education, the Board of Finance, the Board of Church Literature, the committee in charge of the Widows and Orphans' fund, and the Registration Committee. The treasurers and auditors also reported.

The treasurer's report was found satisfactory in the extreme. The deficit of \$5,000 in the diocesan fund was reported reduced to \$1,000, largely through the efforts of the late Sub-Dean committee of which L. P. D. Tilley, M. P. F., is chairman.

The executive committee then passed a resolution of sympathy and regret of the death of the late Sub-Dean Street as follows:

"Resolved that the Executive Committee of the Synod have learned with very sincere regret of the sudden call from their midst of Rev. Thomas W. Street, M. A., L.D., in the 58th year of his ministry. Recognizing his eminent abilities and many years of service in the church which he loved; appreciating his kindness, heart and devotion to duty, the committee desire now to place on record their sense of the loss the diocese has sustained and their high appreciation of the Christian character of their departed friend and worker."

"As registrar of the diocese, as well as in the position of Sub-Dean of the Cathedral, the late Dr. Street was ever faithful and efficient in the discharge

of whatever he undertook, and as long as health and strength permitted devoted himself without stint to the duties and responsibilities of his sacred office."

The committee on Sunday schools met in the evening with Bishop Richardson presiding. The principal business taken up was the arranging for the summer school at Rotherham College for missionary and Sunday school workers conjointly. The school will be open for one week. Arrangements were also made for the offerings of the Children's Lenten Offerings for missions.

Mr. Mullin stated yesterday morning that it was not a question of terms of payment, as the plaintiff's counsel stated, but the point on which he would argue the case was that there was collusion between the plaintiff and the defendant's solicitor. After the reading of affidavits, the hearing was adjourned until the 28th, when argument will take place. Mr. Adair appeared for the plaintiff, with J. B. M. Baxter, K. C., as counsel.

Notice of Appeal.
Notice of appeal has been given in the case of J. C. Mackintosh & Company against the Bank of New Brunswick. This was an action brought to recover \$10,000 on a certified cheque, and \$25,000 on a letter guaranteeing to redeem certain bonds, which case was recently decided by Mr. Justice White in favor of the defendants. The plaintiffs now give notice of appeal to the supreme court en banc, and the argument will be held on the 28th.
