A WOMAN SHOULD HAVE A BANK BOOK

EVERY woman has some little plan of things she would like to buy—if she had the money.

It should be a woman's privilege to handle the housekeeping money. She can then plan for the things she needs, and save for them.

If you are a wise housewife you will save for these things. Loose cash in your purse soon goes—it tempts you to spend. Keep your money where it will be safe, yet available whenever you want it.

Ask for our useful memo book—it shows how rapidly small savings grow.

DISTRICT AND GENERAL

A tree in Stewart Bros' bush, near Petrolia, is said to contain about 2,300 feet, which is a record in these days.

Duncan McLachlan, one of the oldest pioneers of Middlesex county, died at his home near Kerwood last week, in his 83rd year.

Pneumonia caused more deaths in Canada last year than any other disease. Heart disease came next; then cancer; next hemorrhage of the brain and then tuberculosis.

John A. Cameron, a well-known and highly esteemed citizen of Strathroy, is dead. Mr. Cameron moved to Strathroy with his family a number of years ago from Metcalfe township.

Stuart Kirkland and Archie McCullum were elected to fill the two vacancies in the Dutton council on Saturday, Mr. Kirkland heading the poll. Robert Albeck was the unsuccessful candidate.

Preparing for an immense wave of United States immigration to Western Canada farm lands, immigration and colonization officials of the Canadian National Railways will confer in Winnipeg.

Police Magistrate Graydon of London imposed a fine of \$50 on John Murray, who was charged by a former tenant with having failed to affix war tax stamps to receipts issued for rent.

News has been received by relatives in Dunwich of the sudden death at Passadena, California, of Bert Poole, only son of Mr. and Mrs. Jas. Poole, of Vancouver, formerly of Dutton. Deceased was about 30 years of age and leaves a widow and three children.

A gambling house in Detroit, which was a virtual arsenal, equipped with a steel-lined "look out" turret and embellished with trapdoors, secret wall panels and an elaborate flash signal controlled from the turret, was raided by police who arrested 23 men.

The death is recorded at Strathroy of Janet Livingstone, wife of the late Malcolm McKellar, in her 70th year. Mrs. McKellar was born in Moss township. She leaves one brother, Neil Livingstone, of Uby, Michigan, and one sister, Miss Sarah Livingstone, of Strathroy.

Including purchase price of cars, upkeep and depreciation, as well as the expense of maintaining motor highways, Hon. W. F. Nickle says the people of Ontario spent more on automobiles last year than the total value of the crops of the province. That is something to think about.

Duncan McKillop, J. L. McKillop and W. G. Thompson, of West Lorne, have purchased an elevator business at Blenheim. Mr. Thompson, who is at present manager of the Bank of Montreal, has resigned his position, to take effect shortly, and he will take charge of the business as manager.

Near New Liskeard John Sharp was seeking to capture a man he had surprised and who is supposed to have had designs on the chicken roosts. The intruder was chased into the hay loft, where Mr. Sharp tried to corner him by throwing his lantern, but the building caught fire and was quickly destroyed.

The death occurred recently of James T. Haldane, a well-known and esteemed resident of Metcalfe township in the year 1836, and was the last surviving member of the family of the late James Haldane who came to Scotland and settled in Brooke township.

Alex. McLean, a farmer near Ailsa Craig, is confined to his house suffering from painful injuries sustained when a gust of wind blew over a hay rack on which he was riding, pinning him underneath, the horses running away. Mr. McLean also suffered from exposure, as he was not discovered until some time after the accident.

A new rural hydro district, comprising 22 miles in Westminster township, was formally inaugurated Friday, when Miss Mary Grant, clerk of London township, and one of the most enthusiastic champions of farm power, was accorded the honor of turning on the power. About two hundred consumers, some of whom were formerly serviced from the city system, are in the new group.

Seeking the co-operation of the council in its campaign against the European corn borer, R. A. Plan, Middlesex agricultural representative, headed a deputation from the southern part of the county (where the pest has obtained a hold) which waited upon the county council last week. Ex-warden Cousins spoke in support of the deputation's request. Inspector J. H. Sexton, of Strathroy, predicted that if the borer was not checked, within a year it would be impossible to grow corn in Middlesex county.

MURRELL GUILTY OF MURDER

At the Middlesex assizes in London on Tuesday evening Sidney Murrell was found guilty of the murder of Russell Campbell at Melbourne in April, 1921, during an attempted robbery of the Home Bank. The jury were out less than one hour. Murrell will probably not be sentenced until after the trial of "Slim" Williams for the same offence, which is now proceeding.

THE STORY OF A CENT

Postmaster Samuel Armstrong, of Port Burwell, took in a Canadian copper. It had a mark on it. In the course of the day's work it went out again, but in a day or so his friend the marked copper came back. It rested a while at the post office, when it was started out on its next journey. But it never got outside of Port Burwell—in a short time back it came to the postmaster.

Not a big coin, nor a big incident, but still one that is good enough to show how the money circulates, for coppers and nickels, dimes and quarters, all follow the same course.

It's a simple illustration of an old, well-known, but often forgotten fact, viz., spend your money at home and the chances are that it will come back now and then to cheer you up.

G. H. S. NOTES

On Monday, February 4, a session of the G.H.S. mock Parliament was held in the Methodist Sunday School room. In the absence of the president, the chair was occupied by the vice-president, Miss Margaret McDonald. After a few opening remarks by the chairlady and the reading and adoption of the minutes, Catherine Lawrence and Margaret McDonald played a pleasing piano duet.

The next and main feature of the program was a session of the mock parliament. The discussion of the Public Works Bill was resumed. A vote was taken and the bill passed. The Education Bill for a laboratory lantern and class awards was given the second reading, and a humorous discussion followed. The Minister of Education then moved the adjournment of the debate.

Margaret Dickson sang a much appreciated solo. The Oracle, lantern and class awards were given by Helen Gillies and Marion McKellar, was enjoyed by everyone.

ASSOCIATION HOCKEY

Sarnia 4—Glencoe 1

Glencoe intermediates played an excellent game at Sarnia on Saturday night. The first goal was scored by Arthur Davenport, Glencoe's star player. Keen combination was played throughout, but Sarnia showed more courage in the last period. During an interval at the end of the second period the Sarnia rink management presented Davenport with a miniature hockey stick tied with blue ribbon.

Glencoe—Goal, Quick; defence, Davenport and Weaver (Sparky); centre, Weaver; wings, Wall and Quick; sub, Humphries.

Glencoe 6—London 4

A large number of spectators greeted the local intermediates on Tuesday night at the Carman Arena, when they defeated London by 6 to 4. Great credit is due Jake Weaver, who scored the first three goals in the first period. Davenport then scored and the period ended 4-1 in Glencoe's favor. In the second period a strenuous effort was put forth by London intermediates to outplay Glencoe team, but the period ended 4-3. During the third period London's goalie was penalized for interfering with Davenport when he was about to score another goal. London scored a goal in this period and Glencoe two. Good combination work was shown throughout the game.

Don't Miss This One

The hockey game Friday night between Sarnia and Glencoe will be fought out to a finish. The Glencoe boys are showing no favorites, and are going to give Sarnia the battle of their young lives. London offered the Glencoe team \$100 and expenses to play in London last Tuesday night, and Sarnia offered them \$200 to play off the game in Sarnia Friday night, February 8th, but the management decided that the hockey fans who have supported the game the last two years and are supporting them this year were entitled to see these games in Glencoe, and are looking for a good turnout Friday night.

HAND BADLY CUT

Newbury, Feb. 1.—Gil. Goldrick, a farmer living a couple of miles north of here, while assisting to cut wood with a buzz-saw on his own farm, met with a very painful injury today.

In some unexplained way his right hand was suddenly jerked against the flying saw, which severed the thumb and second finger.

This makes the third serious injury Mr. Goldrick has sustained in but a short time.

ANNUAL MEETING AT APPIN

Appin, Feb. 5.

Optimism was the keynote of the annual meeting of the local Presbyterian here last Friday evening as the different organizations of the church read their reports for the year 1923. Financially the church was found to be in a better position than for several years, and if all that was promised had been forthcoming a good balance could be shown to start this year on. However, enthusiasm was marked when the secretary-treasurer informed the congregation that the old note of \$210 had been paid, as well as all other expenses for the current year, totalling \$1,775, which included \$135 for missions. This was very encouraging in the face of the fact that this was the first year of the new minimum stipend of \$1,800. A hearty vote of thanks was tendered Mr. Stodre for his untiring efforts, and he was again appointed secretary-treasurer. The Y. P. S. reported a balance of \$16, which was donated to defray lighting the church during the year. The Sabbath School and in fact all the organizations reported a balance on hand, which augurs well for 1924. The two managers to retire were Evan McMaster and Elmer McIntyre. W. Butler was elected as the new manager and Elmer McIntyre was reappointed. A change was made in the collection committee, all young men being appointed. The auditors, Alf. Bardwell and E. McIntyre, were re-elected.

After the business meeting was concluded, refreshments were served by the ladies and a very enjoyable social hour spent by all.

The officers were re-elected as follows:—Chairman, D. W. Munro; secretary, Mac McNaughton; auditor, Neil Munro; trustees—Hugh A. McAlpine, John Little, D. D. McLachlan; treasurer, A. L. Munro.
