London's Gas Problem

The Citizens' Research Institute of president and directors of the company; Canada is interested in all problems (b) the fixed stock dividend; (c) any which affect the welfare of Canadian citizens. Believing that a fair solution or renewal fund. of London's gas problem is of vital inportance to its citizens, the institute presents the following material for dis-

Could an equitable solution of the London gas problem be arrived at by the establishment of a co-operative arrangements between the citizensrepresented by their city counciland the gas company, whereby the price of gas to the consumers would be arranged according to a sliding scale, based on the cost of produc-

The salient points of such an arrangement would be as follows:

1. An agreement between the city and the gas company as to the capitaliza-

tion of the company. (The amount to be arrived at by arbitration or other-2. The ownership of a portion of such

capital stock by the city.

3. The city to have representation on the board of directors of the gas company. (It is usual for the mayor to hold this position by virtue of his officee).

4. The payment of a set dividend on the capital stock of the company. 5. Determination of the price to be charged per thousand cubic feet of gas, at the commencement of operation of the agreement, such price to be arrived at after expert inquiry, and to be based

on the cost of production.

London, Feb. 19.—The foreign office riding his bicycle over the frozen Coves today announced that the attitude of the Saturday afternoon had a narrow espect on one or more committees. The foreign over the Brit-cape from drowning when he broke directors were appointed chairmen. that Great Britain turn over the Brit-ish West Indies to the United States in return for cancellation of war debts had not changed from that of a year ago, the boy became nearly exhausted before at which time the prime minister. kindly way and generous spirit, gained a host of friends, many of whom declare that he is just as good a meat-packer and sausage-maker as he is a brewer, and there is no doubt he will that 90 per cent of the laws have been find a ready market for the product made in the interests of capitalism.

It is Mr. Rindelhardt's intention to have purity and cleanliness his watchword, and every care will be taken in this particular asset. Nothing but the very best will be used in making the different varieties of sausages, all inspected meats of first quality and the purest spices. Meats smoked only with hard wood, which process will assure the public of a good, wholesome product—every pound of it will be meat. The company will deliver wholesale machine, and regulating the output for The company will deliver wholesale man. Unfortunately the worker has not yet proven himself ready for any other system.

MRS. ALEX. SCRIMGEOUR

Well-Known Stratford Resident Dead in Toronto.

Stratford, Feb. 20.-The funeral of W. M. O'Beirne, editor of the Beacon, will he held on Monday afternoon with services at 2:30 at St. James' Church. Word has been received from Toronto of the death of Mrs. Alexander Scrimgeour, mother of F. G. Scrimgeour this city, and an old resident here. She

this city, and an old resident here. She was \$1 years of age. Born in Plymouth, Eng., she came to Stratford as an infant, with her parents. A year ago, she moved to Toronto. Five daughters and four sons survive: Mrs. Robert Rutherford, London; Mrs. James Galbrath, Sarnia; Mrs. Harry Hine, and brath, Sarnia; Mrs. Harry Hine, and the strategy of the Mrs. Thomas Sayers, Toronto; Fred G. Scrimgeour and Reginald Scrimgeour, city; L. P. Scrimgeour, Chicago; also three brothers and two sisters, H. Vanstone, Chicago; John and Fred Vanstone, Mrs. Jos. Johns and Mrs. Robert Daly, all of Stratford.

Daily all of Stratford.

Cornelius McNamara, an old Downie resident, but latterly residing in the city, is dead here, aged 79 years. His wife, two sons and two daughtess sur-

vive.

Death came suddenly this morning to Mrs. Frank Conway of Ellice. Her malden name was Margaret McCaffrey. Her husband and six children survive.

MANY ENJOYING ADVERTISER'S PUZZLE

Each day brings more letters of praise on The Advertiser's new figure puzzle. Many people outside the territory to which the contest is limited are working on the puzzle for the diversion and pleasure it gives them. A reader of The Advertiser in Iowa writes: "I have derived a great deal of pleasure so far in working your puzzle. It is diverting and takes one's mind off the hum-drum of everyday business life. I wonder if you could tell me of any paper in my part of tell me of any paper in my part of the country that might be running a puzzle like yours. I'd like to be able the pleasure. I rather fancy that I could get my name somewhere among

the winners."

A contestant from Owen Sound says:
"I started the puzzle from lack of anything else to do. Now I haven't time to de anything else. Send me some more charts, please."

Another in a small town away from the religious area. "Your puzzle has the railways says: "Your puzzle has frened things up a bit in our home, for time has been long in passing some of these winter evenings. The whole family is working on the puzzle whole family is working on the puzzle, and the funny part is that it is our
