Castouche, the French robber, was once requested by a young man to be admitted into his band. ' Where have you served?' asked Cartouche. COUGHS AND COLDS.

Sudden changes of climate are sources of Pulmonary, Bronchial, and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should be at once had to Brown's Bronchial Troches,' or Lozenges. Few are aware of the importance of checking a cough, or common cold,' in its first stage. That which in the beginning would yield to a mild remedy, if neglected, soon attacks the Lungs. 'Brown's Bronchial Ttoches,' or Cough Lozenges, allay irritation which induces coughing, having a direct influence on the affected parts. As there are imitations, be sure to obtain the genuine. A Household Word to Millions. - Throughout two-thirds of the civilized world, BRISTOL'S SAR-SAPARILLA may be called the synonym for invigoration. Its tonic properties are proverbial in every South American country; in Mexico, Cuba, Central America, Brazil, ond all the British Colonies from the Canadas to the Australian antipodes, the svidence is alike in its favor. Convalescents find it the most powerful of restoratives. The victims of ulcerous and ernptive maladies depend upon its disinfectant and healing properties. The dyspeptic, the bilious, the sufferers from malarious fevers, intermittent and remittent, flud it safe and sure. It has never disappointed those who have put their trust in it. In all diseases of the stomach, liver, and bowels, BRISTOL'S VEGETABLE PILLS should be used in moderate doses along with the Sarsaparilla, which will greatly hasten a cure.

THE GREAT MEDICAL WANT SUPPLIED .- Ask any man what has been the great desideratum in the practice of physic for centuries? He will answer, purgation without pain or nausea; without subsequent constipation; without detriment to the strength of the patient. Inquire of any individual who has ever tried BRISTOL'S SUGAR-COATED PILLS, if they do not accomplish this object. Of the multitudes that have used them, not one will answer no. The family testimony to their ellicacy is the strongest ever adduced in favor of any cathartic. Upon the liver their effect is as salutary as rising. In fever and ague and bilious remittent fever they work such a beneficial change in In the Matter of Benjamin Shafton Curry, and a brief period, as can only be realized by those who have experienced or witnessed it. No man, or woman, or child, need suffer long from any derangement of the stomach, livor, or bowels, in any part of the world where this sovereign curative is obtainable.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

"LET ME LIVE AND DIE AMONG FLOWERS," said an enthusiastic Italian. This might be difficult, for few of us can live always among the roses. It is possible, however, to breathe a floral atmosphere even in a flowerless land. No tropic bloom exhales a more enchanting odor than that which Chemis ry has wedded to each drop of MURRAY & LANMAN'S PLORIDA WATER. Every bottle of it is a fragrant nosegay, which cannot be blighted, and whose delicious aroma knows neither change nor decay.— Flowers, the sweet censers of Nature's temple, are out transient things, but their fragrance, as concentrated in this exquisite toilet water, is not for a day but for all time.

The Purchasers are requested to see that the words of Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. 527 Agents for Montreal: — Devins & Bolton, Lamp-
