Games Room Open

Recreational facilities are now available to students in the SUB basement. Games included in the room, which opened October 13 are pool, ping-pong and pinball. A canteen is operated by Versafoods.

Approval for the room (the brainchild of SUB Director Kevin McKinney) was granted by the SUB's Board of Dir-

ectors this summer. Renovations to the room cost approximately \$1,500. This included the purchase of new lights (which just recently arrived) the painting of the room and other related work.

The room is presently open from 9 am to 2 am Monday to Friday, and 12 pm to 2 am on Saturdays and Sundays.

Plans for expansion include

the addition of shuffleboard and an extra ping-pong table. If demand warrants it, the room could expand into the locker room.

But for now the SUB Directors are "playing it by ear," according to SUB Director Kevin McKinney. "If they (the students) want something other than what is here then we can try to work it out."
