Take it easy... with Earl Warren

Put your feet up and relax as you listen to "The House of Warren" morning show on CFRB.

Interspersing his down-to-earth philosophy with music of the day, you find Earl Warren is the kind of friend with whom you'd enjoy sharing a cup of mid-morning coffee.

Earl doesn't believe in taking himself too seriously. But, underneath his casualness is the heart of a solid citizen, a warm sense of humour and a genuine interest in people.

So easy does it. Listen to "The House of Warren" Monday through Friday on CFRB, 10:15 a.m. to 1 p.m.

Earl Warren takes over the CFRB microphone following CFRB's provocative "Dialogue" feature conducted by Bob Hesketh and Bill McVean.
Midway in "The House of Warren" Gordon Smetzer stops in with "Let's Be Personal" at 11:45 a.m. and "News and Comment" at 11:50 a.m.
