

Succat 26th May 1856.

My dear Sir, I think the best plan
w^d be for you and Mr. Andrews to come
here to night or be up to breakfast say
y^e next 7th day so that we may be sure of
getting back the same night. Bring enough
of Road Lists for the Mapasapas, as I am
not sure whether I left the others at Hall's
or lost them out of my pocket on the way
home. I will have a conveyance
ready in good time and we can find
an extra horse from the Taxenkeeper,
walking thro' the mud these short three
miles, is not what it is cracked up
to be; we need back again this hot
weather, ~~be prepared~~.

D. Hornum Esq.
Casapa

I am
Very dear Sir
Yours always
Charles Bain.
