

The Canadian Red Cross Society

LONDON BRANCH

President: Lady Beck.

Secretary: Mrs. Ronald Harris

WELCOME HOME !

The Red Cross Society holds out her hands to you here in your home-land, as she did when you lay wounded on the battle-field or in a hospital cot.

She has watched over you ever since you were wounded; she will watch over you still.

WHAT HAVE WE DONE ?

The Red Cross Society is the great Women's War Organization. It cares for the sick and wounded in hospital, in prison, and in camp. The bandages you used for your first aid in the trenches; the sheets and pillow slips, garments and comforts of all sorts which supplied your needs in the hospitals of France and England were largely made by us.

And now we are prepared to continue to serve you in every way we can.
