

	PAGE
METHODS OF USE.	37
RUNNING THE LINE	37
Deflecting the Line	37
Telemetric Measurement of Distance	37
OBSERVING AZIMUTH	38
Setting up the Instrument	38
Observing Azimuth on Horizontal Circle	38
Specimen Observations	40
Observing Azimuth with Eye-piece Micrometer	39
Specimen Observations	48
General Remarks on Observing Azimuth	46
OBSERVING LATITUDE	47
Setting up the Instrument	47
Observing Latitude	56
Specimen Observation	58
Balance of Weighted Micrometer Differences	60
Determination of Micrometer Correction	61
Probable Error	62
General Remarks on Observing Latitude	62
OBSERVING TIME AND LONGITUDE	63
INDEX OF NUMBERED PARTS	65
