PREFACE.

In presenting this edition of the LONDON AND MIDDLESEX GAZETTEER AND DIRECTORY to their Patrons, the Publishers beg to state that every exertion has been made to render the work complete and useful, and to thank their supporters for their patronage.

It is the intention of the Publishers to issue another edition of the work next year, many parties having subscribed for a London Directory lately published, who were not aware of a similar work, *including the county*, being in preparation. Due notice of the canvas will be given in the city papers. Our thanks for kindness received from the Editors of the city and county papers, Postmasters and others is respectfully tendered.

W. H. IRWIN & CO., PUBLISHERS.
