HEADACHE, SICK OR NERVOUS

THE extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most incredulous.—The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether Sick Headache, or Nervous Headache, arises primarily from the Stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the nature and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health.—Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the United States. COMSTOCK & Co. wholesale druggists, 2, Fletcher Street, near Maiden Lane, one door below Pearl Street, New York, General Agents for America—and for sale by JOHN MUSSON, Agent for Quebec, and by Messrs SIMS & BOWLES, and BEGG & URQUHART. Quebec, 14th Oct.

The following article is warranted to cure PILES, RHEUMATISM, all SORES, &c. or no pay taken for it.

TO PHYSICIANS AND PATIENTS.—The Blind Piles, said to be incurable by external applications—Solomon Hays warrants the contrary. His Liniment will cure Blind Piles. Facts are more stubborn than theories. He solicits all respectable Physicians to try it upon their patients. It will do them no harm, and it is known that every Physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the recipe of one of their most respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuse for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is no humbug or quackery about this article.—Why then not alleviate human suffering? If they won't try it before, let them after all other prescriptions fail. Physicians are respectfully requested to do themselves and patients the justice to use this article. It shall be taken from the bottles, and done up as their prescription, if they desire it. SOLOMON HAYS.

PILES,—DROPSY, SWELLINGS, ALL SORES, RHEUMATISM.

It is absolutely asserted, on the most positive proof, that the above complaints are arrested and cured by the timely use of Hays' Liniment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length where it is sold. GENERAL DUFF GREEN. So well known as Editor of the late Washington Telegraph, is referred to for the truth of the following:—General Green a few days since asserted in a public place, that he had used Hays' Liniment for the Piles, and that the effect was very astonishing, and that he felt it his duty to make known as far as in his power, to his suffering fellow men that such an extraordinary article was in existence.—He said he would cheerfully lend his name, and aid in extending its usefulness. This is but one of many many safe hundreds who have given like testimony. SOLOMON HAYS.

WONDERFUL!! An Astonishing Fact!—Hays' Liniment has now been used in some thousand cases, and no failure can be found. It will cure every and all cases of Piles. No charge without such result.—Apply at JOHN MUSSON, Agent for Quebec, and at Messrs SIMS & BOWLES, BEGG & URQUHART.

CAUTION—None can be genuine without the written signature of Comstock & Co.

LOOK OUT FOR IMPOSITION. If a base attempt has been made to imitate Hays' Liniment, and infringe upon the copy and other rights of the proprietors. Never buy Hays' Liniment, unless it has a splendid engraved wrapper, and the written, and written signature of Comstock & Co., all others must be impositions. Any person venturing on any other article, by the name of Hays' Liniment, either by wholesale or retail, will be prosecuted for a violation of our copyright. The case of Mr. Hays may be found copied in our inside wrapper, swearing that no other person knows any of the component or essential parts of this Liniment—and that he will not reveal the secret for twenty years.
