LIFE INSURANCE IN CANADA, 1903.

The table presented in this issue, showing the life assurance business in Canada in 1903, compared with 1901 and 1902, is practically complete, so far as the Canadian companies are concerned.

Their returns shows the year 1903 to have been generally one of progress. With very few exceptions, the Canadian companies wrote a fair amount of new business.

The increase in their premium receipts was \$1,010,618, increase in policies, new and taken up. \$10,265,160; and increase in assurance in force, \$31.635,907. The increase in new and taken policies was \$2,588,071, greater than the increase of 1902 over 1901, and the increase in assurance in force was \$8,125,344 in excess of the increase in 1902.

THE GUARDIAN ASSURANCE COMPANY.

Mr. H. M. Lambert appointed Manager for Canada,

We have just been officially notified that Mr. H. M. Lambert has been appointed manager for Canada of the above company. Mr. A. J. Relton, of London, Eng., had a large number of candidates out of which to make the selection, and after the fullest consideration, decided to offer the appointment to Mr. Lambert.

Mr. Lambert has been manager for Canada, of the National, of Ireland, since 1901. He is a Scotchman by birth, and commenced his insurance career twenty years ago in Edinburgh. He subsequently became connected with the Kent Fire and Life Insurance Company, in which service he remained for some years. He came to Canada in 1893, as inspector for the Atlas and National Insurance Companies, which were then under one management in Canada. Later on he became manager of the branch office at Winnipeg, established by the Atlas and Guardian. At a later period on the severance of the connection between the Atlas and the National, of Ireland in Canada, he was appointed manager for the latter company.

Mr. Lambert is well and favourably known throughout the Dominion, and Mr. Relton's judgment in the selection, will, we are sure, be cordially endorsed by the Fire Managers generally, with whom Mr. Lambert's personal relations have been of the most friendly nature.

Mr. Bertram Hards, who has been for over fifteen years connected with the Head Office of the Guardian, London, Eng., has been appointed assistant manager.

We most heartily congratulte Mr. Lambert upon his receiving this appointment, and also the Guardian
