

Penmanship

Anybody who has the "determination" can become a good penman if he or she will intelligently follow our instructions and practice an hour or so a day for a few months.

Penmanship is of far greater importance than most young people realize.

We know from intimate acquaintance with business men that there isn't anything that creates a more

favorable impression on an employer than the neatness and legibility of an applicant's handwriting.

Write for our large, illustrated free catalogue. It explains our Business and Shorthand Courses in detail. Shows the value of an education in a school which is a member of the Business Educators' Association.

The demand for graduates is greater than we can supply.

confined to the dressed weight. The average declined to 101.1 pounds in 1905, and to 98.7 pounds in 1906, horse and goat meat in each of the three years being together about 2 pounds. The pounds of meat consumed in Germany declined from 6,445,000,000 in 1904 to 6,028,000,000 in 1906, and, in the meantime, the net imports increased from 367,000,000 to 499,000,000 pounds.

The per capita consumption of meat in the United Kingdom is 121.3 pounds; in France, 79 pounds; in Italy, 46.5 pounds; in Australia, 263 pounds; New Zealand, 212 pounds; Cuba, 124 pounds; Sweden, 62 pounds; Belgium, 70 pounds; Denmark, 76 pounds. The foregoing figures stand for the weight of dressed meat, and the United States compares with the countries mentioned in having a per capita consumption of 185.8 pounds of meat in terms of dressed weight.

GOSSIP.

The Clydesdale Horse Society of Great Britain has received a big influx of no less than 90 new members. The Society is giving a grant of £70 towards the classes for the breed at next year's Royal Show, at Newcastle.

Messrs. Smith & Richardson, Columbus, Ont., write: "We have recently sold to Mr. Orlo Hill, of Ruscomb Station, Ont., the three-year-old Clydesdale stallion, Dashing King (6009) (13486) (imp.), sire King of Kyle, by Prince of Kyle, he by the renowned Prince of Wales (873). This is one of the best bred horses in Canada, and also one of the best bred individuals, and will be sure to make his mark in his new home and neighborhood. Mr. Hill, and the farmers of his district, are to be congratulated on securing so good a representative of the popular Clydesdale breed, and bred on such approved lines."

A sale of pure-bred cattle of considerable significance was put through last week by Mr. Robert Sinton, of Regina, President of the Saskatchewan Stockbreeders' Association, when he delivered over to Graham Bros., of Regina, fifty Hereford cows, with calves at foot; seven young females, and one bull, making, in all, a herd of 108 head, and the consideration realized was \$8,500.

Messrs. Graham Bros. have a ranch in the Qu'Appelle Valley, north of Regina, where they purpose breeding pure-bred Herefords in place of grade cattle, which have been their stock for some time. Mr. Sinton intimates that he will bring out from the Old Country next season a number of the best individuals he can find, together with a few Clydesdales to supplement those already on hand.

The enterprise of Graham Bros. at this time in buying so large a herd of Herefords is most commendable, and we should not be surprised if it were one of those occasions where extensive buying in the dulllest of times proves to be a most profitable venture.

Caistor Plowing Match.

The Caistor Plowing Association held their twenty-first annual match on November 9th, at the beautiful home of Reeve John Young, when about \$175.00 were offered in prizes. The day being fine, the attendance of plowmen and spectators was larger than usual. As the ground was in fine condition for plowing, the plowmen enjoyed the contest. The work done was of a superior character and reflects great credit. Not only those in the men's classes, but the boys also came in for much praise, and should be encouraged. Mr. Young served the plowmen and spectators with lunch and hot coffee in the field, and entertained the directors and judges and visitors at the house, for which the society wishes to tender a hearty vote of thanks to Mr. and Mrs. Young for their very kind hospitality shown to all during the day. The judges were: H. Lee, Stony Creek; W. E. Corman, Stony Creek; Chas. Heldreth, Taplytown; Thos. Bush, Woodburn.

The awards in the champion class were as follows: First, Wallace Young, Abingdon; second, Franklin Black, Abingdon. Sweepstakes—Wallace Young. There were classes for boys and specials for best strike and finish.
