### The Ontario Wind Engine & Pump Company's Display

of power and water supply goods at the Canadian National Exhibition this year will surpass any previous exhibit, and will be the largest of its kind on the Toronto grounds.

LOCATED just across from the Art Building, their showing of the Chapman Engines operating on coal oil, the Chapman Well Drill at work in the hole, a completely-installed Pneumatic Pressure Tank, showing water systems for house, lawn or stable; complete stable equipment, stalls, stanchions and water basins; tanks, wood and steel; pumps, windmills, saws (stationary and portable), scales (platform and portable),

feed grinders, pump cylinders of all kinds, and fittings, will be as interesting and instructive to seekers of the best and most modern in manual husbandry, as the art exhibit is to lovers of the beautiful in pictures.

Write to-day for our free catalogue. Prepare yourself to see a practical demonstration of the machinery therein listed in which you are interested, and learn more about our goods that you are now using.

## ARE YOU KEEPING PACE

With the times? If so, you will have to increase your insurance. We hear a great deal now-a-days about the "high cost of living," and, although it may seem exaggerated, there is a lot of truth in it. Therefore your Insurance should be increased in the same ratio as your added expenses. Why? Because you are becoming poorer on account of this extra outlay, you have to increase your income in another way to offset it. Taking out Policies with the
