

"HINGSTON SMITH SPECIAL" \$30.00.

It is because we KNOW it as the best Shotgun for all uses that we have given it our name. Compare it with a Parker or Greener at four times the price and you will find that it has most of their special features. Compare it with the low grades, you will find none of the weaknesses of these. It looks well, will wear and shoot well. We have reproduced photos of it. Send for them.

HINGSTON SMITH ARMS CO., 488 MAIN ST., WINNIPEG.

The Imperial High-Lift Gang.

This Gang is so easily hoisted from the ground that the operator can raise the plows and the weight of a man with the use of one finger on the hoisting lever. The plows, when raised to full height, clear the ground by 6 inches, and all wearing parts are made of soft-center steel, hardened and highly polished. You are buying direct from the manufacturer at the wholesale price, and can secure extra parts when needed from Minneapolis.

Price of a Two-Plow Gang, 28 in. cut, complete with quadruple trees, rolling coupler and weed hook, \$45.00; cash with order.

We can sell you an all-steel 18-inch Walking Plow, steel beam, at \$13.50; cash with order.

Plows will be shipped from Minneapolis, and proper attention paid to billing so there will be no delay at the customs house.

For reference we give you Dunn and Bradstreets Commercial Agencies, or any bank at Canton, O., and if you want wholesale prices on Disc Harrows, Spike Harrows, Spring Harrows, and Land Rollers,
