LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

Look at the tongue, mother. If coated, it is a sure sign that your lit- tle one's stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act nat- urally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food, and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Ask your druggist for a 50 cent bot- tle of "California Syrup of Figs," which has directions for babies, chil- dren of all ages and for grown-ups plainly on the bottle. Beware of coun- terfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

A love letter written by a Peter- borough girl to her sweetheart, when he was out on the Gallipoli Penin- sula, was returned to her after being taken from the pocket of a dead Turk. How it came to reach Peterborough was told in an enclosed letter from Sergeant J. Matthews, of the 15th Royal Welsh Fusiliers. Sergt. Mat- thews was on the lookout for Turk- ish snipers. He shot one and found upon him the letter from the girl. Re- turning the letter he wrote: "I have avenged your lover's death." Hap- pily the soldier is not dead, for a let- ter has been received from him. He had been wounded and the sniper went through his pockets and doubt- less left him for dead. He is in hos- pital in Cairo and probably is back in the firing line, as he was recover- ing when last heard from.

Wood's Phosphodine.
