in good eyesight. Reading or sewing are practically the only diversions of most old people, and unless they are able to enjoy these pastimes in comfort life holds but little for them.

Be sure that the "old folks" in your family have the opportunity to enjoy this blessing to the full. They cannot have it without good glasses—glasses selected at random or by "trying on" will not give it to them.

Bring them here and have an accurate examination of the eyes made. You may be surprised to find they had forgotten what really perfect vision is.
