HE FALLS AS YOUNG AS EVER

Chesler Loomis Took Dodd's Kidney Pills.

And From a Used Up Man he Became
as Smart as a Boy.

Orlando, Ont., Sept. 25.—(Special).—
Mr. Chester Loomis, an old and re-
spected farmer living in this sec-
tion, is spreading broadcast the good
news that Dodd's Kidney Pills are a
sure cure for the lame back and
Kidney Disease so common among
old people. Mr. Loomis says:
"I am 73 years of age and smart
and active as a boy and I give
Dodd's Kidney Pills all the credit for
it."

"Before I started to use Dodd's
Kidney Pills I was so used up I
could hardly ride in a buggy and I
could not do work of any kind.
Everybody thought I would not live
long. Dodd's Kidney Pills are a won-
derful remedy."

The kidneys of the young may be
wrong but the kidneys of the old
must be wrong. Dodd's Kidney Pills
make all wrong Kidneys right. That
is why they are the old folks great-
est friend.

Canadians Go To Persia For Oil.

Montreal, Sept. 23.—A party of five
Canadians from the Petrolia oil district
left by the steamship Tunisian yester-
day for England on their way to Per-
sia, where they propose to develop the
oil fields of that country. The men,
whose names are Crawford, Kirby,
Naughton, McInyre and P. Slack, are
expert oil drillers and have obtained a
concession from the Persian Govern-
ment which will enable them to enter
the field under specially favorable cir-
cumstances.

BE DONE WITH CATARRH!

Why allow this filthy disease to
poison your system? It drains your
strength, ruins digestion, pollutes the
breath, makes you repulsive. The
one certain cure is "Catarrhazone,"
it cures because it destroys the
cause of the disease, cures thorough-
ly because it goes wherever the cat-
tarrh is, cures every case because its
action destroys the catarrh germs in-
stantly. To get well and stay free
from catarrh get Catarrhazone and
use it; satisfaction guaranteed.

Troops For Finland.

Helsingfors, Finland, Sept. 23.—A
large increase in the number of Rus-
sian troops in Finland is expected
shortly. An explosion near the resi-
dence of the Governor of Vasa Thurs-
day evening created excitement, but no
damage is reported beyond the shat-
tering of the windows of a neighboring
house.

NERVOUSNESS A CALAMITY.

Many who don't realize what lies
beyond, treat an attack of the
"nerves" with indifference. Others
consider it will soon pass away. But
in every case nervousness is a cal-
amity. Only one remedy will cure—
Perrone— a nerve strengthener
that acts through the blood. First
it gives you that which you need
for the inner nerve cells. Energy
and strength is instilled into every
part of the system. You get well—
keep well—nervousness forever de-
stroyed, because you've used Perrone.
Price 50c per box of fifty tablets at
all dealers.

Throw Bomb at Warsaw Bank.

Warsaw, Russian Poland, Sept. 23.—
An attempt was made at noon yester-
day to destroy the Shensky Bank. A
man threw a bomb at an open win-
dow of the bank, but missed his aim
and the missile exploded in the court
yard, dangerously injuring the perpe-
trator, a young Jew. It
appears that the outrage was due to
the fact that the bank officials had re-
fused to contribute to the funds of the
revolutionists.

ARE YOU COSTIVE?

If you knew how bad for health
constipation is you would be more
careful. Irregular bowels cause ap-
pendicitis, jaundice, anæmia and a
thousand other diseases too. Sooner
or later it will bring you to a sick-
bed. The use of Dr. Hamilton's
Pills changes all this quickly. They
are made to cure constipation in one
night, and always do so. By taking
Dr. Hamilton's Pills you are sure of
a keen appetite, splendid color, jovial
spirits and sound, restful sleep. Gen-
tle in action; good for men, women
or children. 25c. per box, or five for
\$1.00. At all dealers in medicine.

'Keeping at it' is a mighty good substitute for real genius.

The worries of a weak and sick
mother are only begun with the birth
of her child. By day her work is
constantly interrupted and at night
her rest is broken by the wailing of
the praviish, puny infant. Dr. Pierce's
Favorite Prescription makes weak
women strong and sick women well.
It lightens all the burdens of mater-
nity, giving to mothers strength and
vigor, which they impart to their
children. In over thirty years of
practice Dr. Pierce and his associates
have treated nearly a score of physicians
who are invited to consult Dr.
Pierce by letter free of charge. All
correspondence is strictly private. Ad-
dress Dr. R. V. Pierce, Invalids' Ho-
tel and Surgical Institute, Buffalo,

O. J. C. FALL MEET.

Big Crowd With Lots of Money at the Woodbine Races.

Toronto, Sept. 23.—Seven races were
on the card yesterday afternoon, all but
the sixth well attended. The track was
fast and the weather ideal. The crowd
was an extra large one, and they were

the playing was stiff.

ish outside the money yesterday: Three
favorites won, viz., Crestfallen, Arrah
Gowan and The Musketeer, Virginia
Withers won the first, with Mrs. F.
Foster, the favorite, a bob behind Mod-
erator. Jillett, another 6-to-1 chance,
beat out Peter Sterling, favorite, in
the second race, and three at long
prices, with Sampan first, were in
the Milton Headcup money.

There was only a nose between Our
Bessie and Ohlyssa, first and second
favorites, in the purse for mares.

KILLED BY A FREIGHT.

Barrie Woman Tries to Cross the Track When Gates Are Down.

Barrie, Sept. 23.—A young English-
woman named Mrs. Catline was killed
at Allendale at noon yesterday. She
was attempting to cross the track op-
posite Allen's Hotel, the gates being
down, and passing between the train and
the station platform. She was not
noticed by the freight train, which
was in the opposite direction. Both legs
were cut off. She spoke several times after
being picked up, but died eight minutes
after the accident. She was accom-
panied by her four-year-old daughter,
but the child was dragged out of dan-
ger by a person who happened to be
near. The body was brought to Barrie
and prepared for burial, and later
taken to her home in Allendale. Mrs.
Catline was carrying her husband's
dinner in a pail, when the accident
happened. She also leaves a baby son.

EXPULSED FOREVER.

Rowdy Beaverbrook Lacrosse Players Dealt With by C. L. A.

Toronto, Sept. 23.—C. L. Barber and F.
Maudsland, captains of the Beaverbrook
Lacrosse Club, were expelled forever
from the C. L. A. by the action of the
junior committee of that body at the
Iroquois Hotel last night.

Barber's offence was rough playing
and assaulting Referee Waghorne in
Thursday's game at Beaverbrook, and
Maudsland's was rough play and abusive
language.

Scared by Mulock's Auto.

Peterboro, Sept. 23.—A serious acci-
dent occurred at Hastings Thursday
as a result of which Miss Brockbridge
of Westwood is suffering from a broken
collar bone, several deep cuts on
the face and other injuries. The acci-
dent was caused by her horse becoming
frightened at Cavahra Mulock's tour-
ing car and throwing her out on the road.

Strike Will Continue.

Nanaimo, B. C., Sept. 23.—The strik-
ing miners refuse to accept the com-
promise settlement, and the strike will
continue.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower,
Ala., relates an experience he had
while serving on a petit jury in a
murder case at Edwardsville, county
seat of Clabourne county, Ala. He
says—"While there I ate some of the
meat and some soups and it gave me
cholera morbus in a very severe
form. I was never more sick in my
life and sent to the drug store for a
certain cholera mixture, but the drug-
gist sent me a bottle of Chamber-
lain's Colic, Cholera and Diarrhoea
Remedy instead, saying that he had
what I sent for, but that this medi-
cine was so much better he would
rather send it to me in the fix I was
in. I took one dose of it and was
better in five minutes. The second
dose cured me entirely. Two fellow
jurors were afflicted in the same
manner, and one twenty-five cent bot-
tle cured the three of us." For sale

Repeat the Scott Act.

Ottawa, Sept. 23.—Steps are now
being taken in Prince County, Prince
Edward Island, to have the Scott
Act repealed and have a local law
substituted therefor. It is said that
the local law is more stringent. The
Scott Act was first adopted in Prince
County in 1878.

DEAFNESS CANNOT BE CURED.

By local applications, as they can-
not reach the diseased portion of the
ear. There is only one way to cure
deafness, and that is by constitution-
al remedies. Deafness is caused by
an inflamed condition of the mucous
lining of the Eustachian Tube. When
this tube is inflamed you have a
rumbling sound or imperfect hearing,
and when it is entirely closed, Deaf-
ness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condi-
tion, hearing will be destroyed for-
ever; nine cases out of ten are caused
by Catarrh, which is nothing but
an inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars
for any case of Deafness (caused by
Catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for circulars,
free.

and merit. Try it when you have a
cough or cold, and you are certain to
be pleased with the quick relief which
it affords. It is pleasant to take and
can always be depended upon. For

MESSRS. C. C. RICHARDS & CO.

Yarmouth, N. S.

Dear Sirs,—While in the country
last summer I was badly bitten by
mosquitoes, so badly that I thought
I would be disgraced for a couple of
weeks. I was advised to try your
Liment to allay the irritation, and
did so. The effect was more than I
expected, a few applications com-
pletely curing the irritation, and pre-
venting the bites from becoming sore.
MINARD'S LIMENT is also a good
article to keep off the mosquitoes.

Yours truly,
W. A. V. R.
