**Runaway Accident.** - On Monday last  
Andrew and Charles, sons of Mr. Joshua  
Hawes, were hauling a load of tan bark  
into Harrison. While passing through  
the swamp, near Charles Henry's farm,  
the leading of the wagon came a piece of  
bark to slip forward and strike the horses,  
which became frightened and commenced  
running. The driver, Mr. Andrew, was  
driving, holding on to the lines.  
The extra pair, which were not used, were  
left on the driver upon the horses, An-  
drew alighting upon the tongue of the  
wagon, from which he was thrown with  
great force against a stump. The horses  
leaving clear ran like mad until captured  
by Charles Henry, who at once secured  
them, and accompanied by his wife and  
laughing, hurried to the assistance of  
young Hawes, who they found lying  
beside a stump unconscious. When he  
recovered he was taken to Mr. Henry's  
house and a physician sent for. It is  
feared that Andrew has sustained serious  
internal injuries, but at last accounts was  
holding his own well.

**DESTRUCTION OF PARTNERSHIP.** - The  
Brantford Courier says: "The partnership  
heretofore existing between Mrs. Scroff  
and Mr. W. E. Phil, in the Brantford  
Press has been dissolved. Mr. Phil has  
been manager of the business for a  
great number of years, and has made a  
success of it. He has retired now in  
order to devote all his time to contracting.  
He is associated with Mr. W. G. Elliott  
in the big St. Clair tunnel undertaking.  
It is the intention of the partners, Messrs.  
Elliott & Phil, both very able and  
popular young men, to make their  
headquarters in Brantford. Mr. Phil does  
not intend leaving here. Mr. Phil is a son  
of Mr. Jas. F. Phil, of Hespeler, and  
many friends in Guelph and vicinity will  
be interested to know that Mr. Phil  
will be in the city."

**Scenes.** Trustee Anderson's name was  
omitted in the list of those who took part  
in the procession on Wednesday. He  
drove his delivery wagon himself. The  
chief reason of the oversight, perhaps, was  
that he was supposed to be with the city  
officials and other dignitaries.

**HILLBURG BEAVER.** - Those who attend-  
ed the morning service in the Presby-  
terian church last Sunday were treated to a  
somewhat unusual sight on the way  
home. Just as the first rig had crossed  
the bridge that spans the river Credit a  
large whirlwind rose at the edge of the  
water and swept to the centre of the river.  
Here it came into collision with a horse  
and buggy and enveloped the occupants of  
the rig in a cloud of dust. The horse was  
killed and the rig damaged. The whirlwind  
was one of the largest ever  
seen in this section. d1

**FINDING AND SHOOTING.** - There has been  
some talk after the steamer Atlantic (Capt.  
D. Foote) left Manitowish on Wednes-  
day a Miss Fleming, from near Owen  
Sound, who had been in charge of the  
steamer, got out of her steamer window  
and dropped into the water by the fender.  
Capt. Foote, who was on the guard  
rail, saw her fall and immediately  
jumped into the water and rescued her.

afterwards recovered consciousness. Too  
late to catch the steamer, she was given  
a ride to her home by a private car.
