WASHINGTON LETTER.

(From Our Regular Correspondent.) Washington, Dec. 26. The suggestion in Secretary Carlisle's report that authority should be given

Speeding along with that maniac in my Congress reconvenes. Their design is to Reader, you cannot imagine the anguish stood the democratic leaders will not 'You're goin, too Jakey,' piped the opinion. But, after my departure, from I stood between that train of human The republicans expect to follow a uni-

there could be no tie of kindred between 'Perhaps I may, little Abram. The that he may hold the child in his arms. would be crushed to death in a twink- of the proposition they present and vote But my mind was equal to the emer- practically throughout the bill.

my handkerchief, but I caught his hand before it reached my pocketbook.'

'I tell you I didn't, cried the boy, struggling to extricate himself, 'I seed the feller what took your handkerchief, and runned rite up ag'in' him while his hand was in yer pocket. He culled it out, and you cotched me instead of him. I ain't no thief. I never stoled nothing in my life. I was a-runnin' fur a doctor fur little Abram, and never thought of fur little Abram, and never thought of fur little Abram, and never thought of fur little Abram and never thought of fur little Abram, and never thought of fur little Abram and never thought of look and the feller what took your laudkerchief, and runned rite up ag'in' him while his hand was in yer pocket. He culled it out, and you cotched me instead of him. I ain't no thief. I never stoled nothing in my life. I was a-runnin' fur a doctor fur little Abram, and never thought of little Abram for me.'

Three months later I arrived at Bellefortaine, the plantation of Mr. S. Of course Abram was the first object of in-dury, but when he came in I did not white his him, and little Abram, he jest keeled up and fainted dead away. Why, Sir, when I camed up and seed him, and little Abram he jest keeled up and seed him, and little boy stood before me. Still small limbed, but as active as a squirrel, and adroit, Mrs. S. told me, at everything he undertook. His lines had fallen in pleasant places, and he seemed grateful and happy.

Reed of last summer was clad in a tow luckily a suduen bend in the road gave luckily a suduen bend in the road state.

Then began a terrific battle.

I was unarmed, while the madman seemed possessed of superhuman strength. The battle waged fiercely. I felt myself growing weaker every more little Abram for me.

A small bar of iron lying on the fire-A small bar of iron lying on the fire- Hamlet calls the 'customary suit of 'You vagabond,' cried the angry man, 'didn't I catch your hand when I turned ?'

'Course you did, cause I stumbled rite up ag'in' you when the other fellow dodged. Oh, please lemme go fur the dector fur little Abram! He's dyin', I'm afraid; just let me go and you may whell was sto was a stay was a stay was a stay was a stay of the strangely familiar to me. He was one surprise, out a greater was all I could procure, but it proved my salvation. The madman was struggling fiercely to liberate him self from the position I had torced him into, when I raised the iron bar and dealt him a blow on the head which completely stunned him.

This was one surprise, out a greater it proved my salvation. The madman was struggling fiercely to liberate him self from the position I had torced him into, when I raised the iron bar and dealt him a blow on the head which completely stunned him.

They were strange folks and had no kin. Nobody wanted bein in that house, and I could procure, but it proved my salvation. The madman was struggling fiercely to liberate him self from the position I had torced him into, when I raised the iron bar and dealt him a blow on the head which completely stunned him.

They were strange folks and had no kin. Nobody wanted bein in that house, and seemed strangely familiar to me. He many precious memeuts. The sharp, late election house him. About noon I it proved my salvation. The madman was struggling fiercely to liberate him and the full to proved my salvation.

The madian it proved my salvation. The madman it proved my salvation. Th We are in a position to offer The Union Advocate and the Family Herald and Weekly Star, of Montreal, to \$1.75.

This offer entitles the subscriber to a choice of the two great ment as the policeman only into your sheepfold?

Altram and me, we just turned out and started on our own hook—sot up house—started on our own hook—sot up house—started on our own hook—sot up house—started on our own hook—sot up house—see younder, or his ghost? I thought you didn't intend letting the little heathen few words. But the policeman only into your sheepfold?

Altram and me, we just turned out and started on our own hook—sot up house—see younder, or his ghost? I thought you didn't intend letting the little heathen into your sheepfold?

Altram and me, we just turned out and started on our own hook—see a vast to mr. S. 'Is that the veritable Jakey I see yonder, or his ghost? I thought you didn't intend letting the little heathen into your sheepfold?'

It was so pitifui, yet so ludicrous, to think of the baby starting on his own into your sheepfold?'

It was so pitifui, yet so ludicrous, to think of the baby starting on his own into your sheepfold?'

Ob, please, please just send for the doctor for little Abram! A big sob almost choked him, and the boy panted as if he had just run a race. I believed as if he had just run a race. I believed as if he had just run a race. I believed as if he had just run a race. I believed as if he had just run a race. I believed as if he had just run a race. I believed as single—never did. And then he's sich he certainly teaches the child no evil. I was able to run both engines lants, I was able to never entered the cab of an engine since. the purposes of this restoration the which cannot fail to please in both style and price,
