

## CANNON WAS TAKEN BACK.

Was Released Without His Lawyer Being Notified.

Telegram Countermmanding Extradition Order Came too Late

And the Prisoner is Now in Columbus.

The machinery of the law runs in a very unexpected manner sometimes. On Saturday afternoon Nelson Cannon, who has been held in the local jail for some weeks past, for extradition on a charge of bribery at Columbus, Ohio, was taken across the line by Detective Phelan, who had been around the city for two or three days previous, evidently expecting that the extradition warrant would arrive, and it evidently did. The part that appears peculiar is the fact that Mr. M. J. O'Reilly, K.C., who was the counsel for Cannon, was not notified that he was being taken out, until it was too late.

About three weeks ago Cannon was brought before Judge Snider and a prime facie case was made out, on the charge of bribery, and the warrant was signed by his Honor for Cannon's extradition. Cannon had 15 days in which to appeal from Judge Snider's decision, and Mr. O'Reilly took the case before a single court, with Justice Clute presiding. His Lordship upheld Judge Snider's decision, and Mr. O'Reilly decided to go to the Court of Appeal, which does not sit until September. The work of entering the case to the Court of Appeal was entrusted to the firm of Blake, Lash & Cassels, of Toronto, who are Mr. O'Reilly's agents there.

Mr. O'Reilly was not worrying about the case going before the Court of Appeal, and it was with a great deal of surprise that he learned late on Saturday morning that the warrant had arrived in the city. He was sick in bed at the time, but he wired to the Minister of Justice that an appeal had been entered, and to countermand the warrant for extradition. A reply came back with instructions to hold Cannon, but it was too late as the prisoner had been taken out of the jail and was well on his way toward the States.

The warrant arrived on Saturday morning addressed to Crown Attorney Washington, who immediately turned it over to Mr. George Lynch-Staunton, who acted for the State of Ohio. He took it to the jail, and as Governor or Ogilvie had at that time received no instructions to the contrary, Cannon was surrendered to Mr. Phelan and Mr. Staunton. Cannon was taken by boat and thence back to Columbus. Mr. O'Reilly said this morning that it was not necessary for him to notify the Minister of Justice that the appeal was pending, there being nothing in the law to require him to do so. He had notified the Governor that Cannon could not be legally released, on account of the appeal having been entered.

## CROWNED STATUE.

Beautiful Service Marks Close of May Devotions.

A congregation that packed St. Mary's Cathedral to its utmost capacity last night saw the beautiful and impressive service in connection with the closing of the May devotions. The month is set apart by the church in special honor of the Blessed Virgin, as the Mother of God, and at the closing of the devotions the crowning of the statue takes place. After the singing of vespers last night a number of new members were received into the Young Ladies' Sodality, Rev. Dean Mahoney giving a short address and exhorting the members of the sodality to take the life of the Blessed Virgin as an example.

A procession of the children from the various Separate Schools in the parish, St. Mary's, St. Anne's and the Sacred Heart, the members of the sodality and the choir marched around the church, carrying sacred banners and singing appropriate hymns. The crowning of the statue, little to be seen in white to represent angels kneeling on the steps leading to the altar, then took place, and was followed by benediction of the blessed sacrament.

## PHOTO IN EYE.

By It Will Try to Find Murderer of Woman.

Alton, Ill., June 1.—Belief in the theory that the last object seen by a murdered person may be fixed as a photographic negative on the retina caused Coroner Streeter to have a photograph taken of one eye of a woman, whose body was taken on Thursday from the Mississippi River. The developed photograph, the coroner says, shows a faint outline of the face of a man, with hooked nose, bearded cheeks and glabrous scalp. The coroner says he will try to find a possible murderer by the use of this photograph.

A post mortem examination established the absence of water in the lungs, although the body had evidently been in the water for several weeks and the neck was broken.

## DIVINE HEALER.

Schlatter Claims to be the Earl of Wateridge.

Princeton, Ind., June 1.—Mayor Cushman, of this city, has received a letter from the British Consul in Chicago, asking for full details concerning the charge against Francis Schlatter, divine healer, who was arrested for practicing medicine without a license. Schlatter claims to be the Earl of Wateridge, and a British subject, and has made such representation to Ambassador Bryce at Washington in asking the protection of his government against what he says is unjust prosecution. The Chicago consul has taken up the investigation. The mayor has forwarded a full statement.

## OBITUARY

Death of F. J. Hurley—Stoney Creek Resident Gone.

The remains of Frederick J. Hurley, of Buffalo, arrived in the city yesterday, and the funeral will take place from his mother's residence, 346 Barton street east, on Tuesday at 8.30 a. m., to St. Patrick's Church, thence to Holy Sepulchre cemetery. The deceased had been ill only a few days, and pneumonia, and his death was very unexpected, and came as a great shock to his relatives here. He leaves to mourn his loss a wife and two children, Gertrude and Dorothy; also his mother, two brothers and two sisters. He was a member of Gore Lodge, A. O. U. W.

The funeral of Mrs. Frances Fox took place yesterday afternoon at 2.30 o'clock from her late residence, Bartonville, and was very largely attended. Rev. R. J. Treleven conducted the services, assisted by Rev. Mr. Vollick, and Rev. Richard Rowe. The pall-bearers were: Alexander Hayes, J. Gage, J. Findlay, J. W. F. Tallman, George Awrey and David B. Callick. The floral tributes were many and beautiful.

Margaret Davis, wife of Albert E. Davis, died on Sunday afternoon at an illness of eighteen months, from cancer, in her 59th year. Deceased was born in Salford, Lancashire, and all her life and was well known and highly respected. She was a daughter of the late Alva Jones, and is survived by four sons, John A., Joseph H., Crown Point, Robert R. and Charles P., Stoney Creek, and four daughters, Mrs. J. A. Granger, Mrs. W. J. Martineau, Stoney Creek, Mrs. W. A. Inglis, Hamilton, and Miss Jessie Davis, Stoney Creek. Two brothers, Dr. Jones, of Kilbride, and Dr. Jones, of Mount Hope, and three sisters, Mrs. W. Bates, Hamilton, Mrs. J. K. Lottridge, Stoney Creek, and Miss Emma Jones, Hamilton, and her mother, Mrs. Alva Jones, this city, also survive. The funeral will take place on Tuesday at 2.30 o'clock from her late residence, to Stoney Creek cemetery.

The funeral of Miss Margaret Alice Wallace took place on Sunday afternoon at 1.45 o'clock, privately, from her late residence, 92 Markland street. Rev. Archdeacon Forrester conducted the services at the house and grave. The pall-bearers were: Hugh C. Baker, Col. Logie, B. J. Throop, S. J. T. Brown, T. H. Ashley and T. H. Wadland.

## THE VADERLAND

Resumed Voyage After Mishap Was Repaired.

Dover, June 1.—The agent of the Red Star Line here states that he has received a despatch from Antwerp that the steamship Vaderland is anchored in the River Scheldt, having a defect in her machinery. Considerable anxiety was felt here on account of the rumors that the Vaderland had gone ashore or been in collision on account of the fog that has prevailed in the English Channel for the past thirty-six hours. Evidently the steamer met with some mishaps after her departure from Antwerp, as she sailed on Saturday, and was due here on Sunday. The nature of the mishap at present is unknown.

Antwerp, June 1.—The accident to the Red Star Line steamer Vaderland was very slight, consisting of a simple disarrangement of her machinery. The steamer returned to Flushing after repairs had been completed and left that port at 10 o'clock this morning for Dover and New York.

## EAST HASTINGS.

Liberal Candidate Will Oppose Mr. Richardson.

(Special Despatch to the Times.)  
Ivanhoe, Ont., May 30.—Practically at the last moment the East Hastings constituency has decided to put a reform candidate in the field. Up to yesterday it was thought Mr. Richardson, the Conservative candidate, would be in by acclamation, but Mr. Poucher has decided to oppose him, and in spite of Mr. Poucher's entering the field some what late his chances of success are apparently good.

## THE MAURETANIA

Making a Remarkable Record With Three Propellers.

London, June 1.—Despite the fact that she is using but three propellers, the Cunard Line steamer Mauretania, which left Liverpool on May 27, is making a remarkable run to New York. She has already broken one ocean record, that for the best day's run, according to a wireless telegraph despatch received here by the Cunard Steamship Company. She covered 635 knots from noon, May 30, to noon, May 31, averaging 25.5 knots an hour.

## EAST HAMILTON Y. M. C. A.

On account of rain the song service last evening was held in the building. There was a good attendance, and the choir of Barton Street Church led the singing, with Mr. A. Moore, as leader, and Miss Diamond as organist. Mr. Huntman sang a solo, "The Prodigal." "I thought on my ways and turned my feet unto thy testimonies," was the basis of a few remarks by Rev. H. G. Living. He said the beginning of all things was in a thought; new life was a result of thought. People go wrong for want of thought, they get careless and neglect salvation, they fall into temptation, utter careless words, etc., when thoughtless. Some people seem afraid to stop and read the Bible and think on their ways because they choose a wicked life. God sometimes permits things to come into one's life to cause him to think. Providences, distresses, sickness and sometimes a sermon or a song would arrest one.

A meeting of baseball players will be held to-morrow, Tuesday evening at 8.30 to form a league. Clubs are requested to send representatives.

W. D. McPherson, replying to A. T. Wright Saturday, proved that there was a morning session of the Gamey Commission on April 20, 1908, and in the afternoon he received Gamey's letter; but A. T. Wright retorts that it was on the 21st Mr. Blake had stated he was unaware of Gamey's whereabouts.

## SPORTING NEWS

(Continued from page 4.)

At Providence—Providence 6, Baltimore 8.  
Saturday games:  
Buffalo 9, Montreal 2; Buffalo 0, Montreal 9.  
Jersey City 1, Newark 1.  
Providence 2, Baltimore 6; Providence 4, Baltimore 4.

**CITY LEAGUE SCORES.**  
The scores in the City League on Saturday were:  
Alerts 4, Aylm 3; played at Aylm grounds.  
Prescents vs. Eureka and Broadviews vs. F. A. B. called off on account of wet grounds.

Following is the standing of the teams:  
Won. Lost.  
Alerts ..... 3 0  
Aylm ..... 2 1  
Ferguson Avenue Baptist ..... 1 1  
Broadviews ..... 0 1  
Prescents ..... 0 2  
Eureka ..... 0 1  
The new schedule will appear to-morrow.

**JUNIOR CITY LEAGUE.**  
In the Junior City League at the Mountain View Park the Royal Oaks won from the St. Patricks by 10 to 3. The game between the Keystones and the Quicksteps was postponed. Following is the standing of the clubs:

Won. Lost.  
Granites ..... 2 0  
Quicksteps ..... 1 0  
Keystones ..... 1 1  
Royal Oaks ..... 1 2  
St. Patricks ..... 0 2

**IN OTHER LEAGUES.**  
Church League—Ascensions 16, First Church 11. Quicksteps 11, St. Thomas 9.

East End Juvenile League—Junior Alerts 11, Hurons 3. Junior Keystones 19, Seminoles 18.

Victoria Park League—Young Canadians 14, Aldershot 4. Ascensions 19, Beavers 12.

**FOUR TIPS.**  
Hamiltons were to have played at Niagara Falls yesterday, but there was no game on account of rain.

The senior Western Stars challenge the T. H. & B. Freight Jugglers to a game of indoor baseball, to be played at Victoria Park, on Wednesday evening. Address, J. Lemmond, 44 Garth street.

A meeting of the Junior City League Committee will be held to-morrow night at Skerrett's store.

On Saturday the St. George's won from Southern Stars by a score of 13 to 2.

The Aderts, the leaders in the Intermediate League, will play at Caledonia on Wednesday.

In the North End Park League on Saturday the Northern Stars won from the Orientals, 6 to 3.

The Junior Clippers defeated the Royal Canadians by a score of 8 to 7. Winning battery—Terrio, Murphy and Smith.

## COLIN WON AGAIN.

Champion Was Not Broken Down, as Stated.

New York, May 30.—In a blinding rainstorm, Colin, which was declared to be hopelessly broken down two days ago, won the \$5,000 Belmont Stakes at Belmont Park today. He was added at the last moment, and never did the great horse receive such a salvo of applause as after the race. Thursday the racing world heard with deep regret that Colin had bowed both front tendons, but was in a measure prepared to see him under colors to-day. Late last night one of Mr. Keene's representatives sent a state-ment to the press to the effect that Colin's injuries were not so serious as at first believed, and that he was a possible starter to-day, providing there was no rain.

Colin was brought over from Sheepshead Bay and a hundred or more horsemen saw him unloosed with great interest. His legs were swathed in bandages, but he did not take a lame step nor even limp. Mr. Keene said, "It is that Colin is here and is here to run. If he is to break down he might as well do it in a race as any other place. The colt is now all right, I believe, and will go to the post with the starter this afternoon. He will carry 106 pounds."

If Celt is defeated it will be due either to a poor start, coupled with rough riding and a cutoff, or to the fact that several fast horses, such as McCarter, Fair Play and Berkeley, cut out such terrific pace that Celt will run his head off.

**DINGEE RACE ON SATURDAY.**  
The Royal Hamilton Yacht Club held a race for 16-foot dingies on Saturday afternoon, over the Beach course. The start was at 3.20, and the times were:

Finish. Elapsed Time.  
Judd-Mathison ..... 4.44.10 1.34.10  
F. Perry ..... 5.00.00 1.40.00  
J. G. Morrow ..... 5.01.45 1.41.45  
Matheson-Wright ..... 5.05.20 1.45.20  
B. Harvey ..... 5.07.00 1.47.00  
J. W. Monro ..... 5.35.45 2.15.45  
C. Grace ..... 5.40.00 2.20.00  
R. A. Milne ..... did not finish

**SHORT ENDS.**  
Little Paragraphs of Sport From Far and Near.

The Toronto Golf Club played a point game here on Saturday with the Hamilton club. The score was 12-12.

If the D. Beland who competed in the Olympic trials at Montreal on Saturday is the professional sprinter who made his headquarters at Peterboro not so long ago, he is no more eligible than Shrubbs would be.

Toronto, June 1.—The Olympic trial bicycle races, which were to have been run off Saturday afternoon, were postponed until Wednesday, June 3rd, at Exhibition Park track, starting at 2.30 o'clock in the afternoon. The condition of the track on Saturday, as well as the high wind prevailing, prevented the races as scheduled.

The Ottawa City Football Club is getting busy already for the Rugby season next fall. Hal and Murray Kennedy, two Ottawa boys who played with Toronto University last season, have finished college, and will line up with the Ottawa fourteen when the Inter-Provincial season comes around.

**DIAMOND MAKER'S TEST.**  
M. Lemoine Will Demonstrate Before Paris Court Officials.  
Paris, May 31.—Some day this week M. Lemoine, in the presence of the examining magistrate, M. La Poitievie, and three experts, all appointed by the court, will attempt to make diamonds by artificial means. Should M. Lemoine fail the suit brought by Sir Julius Wernher will be continued, and the scientist will be returned to jail as a subject for criminal prosecution.

The electrical furnace to be used has been built under the direction of M. Lemoine and the constant supervision of officers of the court. As it has been alleged that M. Lemoine's diamonds were really natural stones surreptitiously introduced, every effort has been made to prevent a repetition of this alleged trick. The interior of the crucible is cylindrical, measuring five centimetres in height and three centimetres in diameter. M. Lemoine promises that the natural stones will produce will conform to this shape.

ten crucibles have been imported from Germany for the experiment. They are now under seals, and will not be touched by M. Lemoine until several have been broken in his presence, and one handed to him, in which he is to place his mixture, prepared before witnesses. Further than this, M. Lemoine will not be allowed to touch any of his apparatus, although he may direct the experts in such a manner as he sees fit.

After the experiment the crucible will be removed by a court expert, cooled by him, and opened by him in the presence of his colleagues.

**DR. FRECHETTE DEAD.**  
Famous French-Canadian Poet and Author Passes Away.  
Montreal, May 31.—Dr. Louis Frechette, the Canadian poet-laureate, and veteran litterateur, died to-night at 10.20, after an illness of twenty-four hours. Dr. Frechette, who was in his 70th year, had been living with his wife in the Deaf and Dumb Institute on St. Denis street for about a year. Though not in vigorous health, he was not considered to be suffering from any malady, except the burden of his age. He was suddenly seized with a stroke of apoplexy on Saturday night and never regained consciousness. Medical aid was at once summoned, but he was his daughter, who is the wife of Mr. Honore Mercier, son of the late Premier Mercier, who is an alderman and member of the Legislature.

When the news became known it caused a great shock of surprise, as Dr. Frechette was one of the familiar figures of Montreal. His serious illness was unexpected, and his death will cause genuine regret in all parts of Canada.

Dr. Frechette had for years stood for the highest and best poetic expressions among French-Canadian writers, and the crowning of his work by the French Academy many years ago gave him a European reputation, which leadership, despite the work of younger writers in his own tongue, he had steadily maintained.

**CANNOT ORDER NEW TRIAL.**  
Weakness Shown in New British Criminal Appeal Court.  
London, May 31.—Lord Chief Justice Alverstone during the week pointed out a weakness in the new Criminal Appeal Court that he said he regretted. The weakness consists in the fact that the law does not allow the court to order a new trial of a case. The case in point was the conviction of a man for the manslaughter of his child. One of the months before the child's death. The trial judge directed the jury to take this into account.

On the hearing of the appeal it was shown that the acts alleged to have caused the child's death must have been committed within a year and a day of the death of the child. The case, therefore, was obliged to quash the conviction, as the jury had considered inadmissible evidence, thus causing a miscarriage of justice, as the Appeal Court was unable to order a new trial.

**TRUE IMPERIALISM.**  
Principal Peterson Fires Hot Shot, Speaking at St. John.  
St. John, N. B., May 31.—The Principal of McGill, addressing the Canadian Club here on "True Imperialism," defined it as a voluntary and united effort to bind the empire tighter and preserve its ancient traditions. He then sketched the growth and possibility of Canada, and pointed out some of the dangers to be met with, closing with suggestions as to the convincing of sceptics and opponents of the idea. He referred to "a blasted lawyer" of Nova Scotia, who recently in New York, wandering from Ottawa, addressing Canadian Clubs, who saw Canada a free and independent nation, separate from the empire.

This was taken to refer to Mr. P. S. Ewart, who lately addressed the Canadian Club here. Dr. Peterson also had a shot at Judge Longley, of Nova Scotia, who recently in New York, propounding for Canada a separate nationhood in alliance with Great Britain.

**Killed by Lightning.**  
At Woodville, near Lindsay, on Thursday evening, James Holmwood, an Englishman, engaged as a farm hand, was killed by lightning, which struck and shattered a pitchfork he was holding and melted a gold watch in his pocket. Colin Graham, his employer, about 20 years of age, was standing by him. Mr. Holmwood was 22 years of age, and belonged to the 48th Regiment. Last winter he completed a course at Stanley Barracks.
