**APRIL EXAMINATIONS AT COLLEGIATE**

Lower School Only

Below we give the results of the Easter examinations at the Collegiate Institute. Individual reports have already been sent out to parents and these show in greater detail the standing of the pupils. The standard for promotion in June is 40 on each paper with an average of 60 on the total. In all cases where a pupil's standing is lower than this on the report special attention should be paid to the weak subject or subjects from now on with the object of making good the defect by June. From now until June pupils should make fast progress as much of the work will be a review of what was taken earlier in the year. There is, however, a strong tendency of young people to take things easy as Spring comes on. This will be fatal to those seeking promotion. If parents and pupils consider promotion a desirable thing every effort should be made towards that end now as it will be too late at summer. The teachers are anxious to co-operate in every way in order that those who are weak may overtake their work, but the greatest need from now on is for earnest and concentrated study on the part of each pupil. The principal will be pleased to confer with parents at any time. Those in Class II are not graded owing to absence from all or part of the examinations. Those in Class I are in order of merit.

**PAIN OVER THE EYES IS GONE HEADACHE CURED. CATARRH RELIEVED!**

This is the Common Experience of Those Who Breathe the Vapor of CATARRHOZONE

Remember this, Catarrh can never be cured of even relieved by a cough syrup, a spray or tablet treatment. Trouble is these remedies slip quickly over the sore irritated membranes, drop into the stomach, and do little else but harm digestion. Its different with "Catarrhozone"—you inhale it. Every breath sends healing balsams to the inflamed tissues. Tightness, soreness and inflammation are cured by healing pine essences. Nothing is so simple so convenient, so certain to cure as Catarrhozone. The dollar outfit includes the inhaler, costs \$1.00, and is guaranteed to cure. Small size 50c, trial size 25c, all dealers, or The Catarrhozone Co., Kingston, Ont.
