THE HURON SIGNAL, FRIDAY, APRIL. 3, 1885.

is inseparable from their position. There is at the gate by the janitor a blue coat ed, helmeted personage, familiar with the discipline of Scotland Yard, to look after vagrom men and women, and the broad paths and shrubberies between the of other members of the force. But the penalty which greatness pays for security is not very heavy, and ministers in Lon-don or on their travels in the three kingdems are subjected to the deagre-ment of being locked after by constables. The royal palaces filled with treasures of price and need protection as much as publie museums, etc., and their inmates, moreover, are especially exposed to the onslaughts, aggressions, and importu-nate attempts of the wide-ranging guer-rilla of lunatic, weak minded folk to whom the members of royal families offer

SANDRINGHAM,
The Prince of Wales and his Residence.
The Prince of Wales and his Residence.
The Prince of Wales and his Residence.
There the Beir Apparent is at Bouse-bergine Birling main in all the Query is to for the book and is a popular resert as the Equery may have the vertice and is a popular resert as the Equery may have the vertice and the second with a dool and the library apparent is at Bouse-tion. The books which fill the cases are well selected, and the library especially is rich in county histories and in foreign books, and garniture, stamped in gold on bir or green leaster with the Prince of Wales, and the optimized of the chase; may be the form of the ordinary and is a popular reserves in the disting main in all the Query is room is a charming apart of the ordinary to the form of the ordinary and surely at times there is no harder working main in all the Query is to link a green leaster with the Prince or the duties on the oldiers and in many parts of the house of the ordinary and leading there are many source is in the second in the district, and have ever been in what way the Prince of Wales and the old in the second in the second in the second in the the second in the second in the second in the district, and have the prince of the draw and the ordinary in the second in the second in the second in the second in the district, and have the read and koll work is and the ordinary of the inter beam of the second in the se fort of their homes. That this is not an easket in gold and silver, in ivory; ossels in bidri and kotli work; arms of does will surely be testified by any who have ever been in the district, and have ever been in the district, and have ever been in the district, and have discass a landlord. The discass as landlord. The prince, which formed the mest population of the products of the prince, which formed the mest population in the district and the prince and most admired exhibit at the Paris and most admired exhibit at the Paris and most admired exhibit at the Paris agricultural and cattle shows; and it liberall plant at South Kensingten and elsewhere at home. From the third preservation of an extraordinary quantity of game to have good crops and conthe visitor passes out by the halt to prome the distres; a request from its distress; a request from is approached by any which the limits of Sandring. All beer and not the staircase at the dise to the staircase at the dise to the staircase at the dise to the staircase at the distres, which lass to the staircase at the dise to the staircase of Wales lead the quict, well-order ed, tranquil, yet busy life of an English gentleman and his wife surrouded in the swite gentleman and his wife surrouded in the transe in an antechamber, communicating directly with Prince's norming reorm, and the should jetter is apriced at the direct in stair as a standingham in its elegant ("jaurai ma fortune assuree;" a demand for a lon of 10,000 france is one as the should jetter is aprise. The stair which has been to brince's norming reorm, and the should jetter is aprise. The first of these is one of the situation at the should jetter is aprise. The first of these is one of the source is a bandingham in its elegant ("jaurai ma fortune assuree;" a demand for a lon of 10,000 france is one as the should jetter is aprise of the state which has the stair and in a swite state which has the stair and in a standingham in its elegant ("sexing or is approached by an anatechamber, communicating direc

at Sandringham in its elegant "eziness" "j'aurai ma fortune assurce ;" a demand abundance of interesting objects. The principal drawing room is approached by an antechamber, communicating directly with Prince's morning reom, and the eye will be caught by a fine picture on the wall of the Czar with the Prince by his side in a sleigh drawn by three horses, which appears to be galloping out interior with the precision and detail of an inventory, se I shall content myself, and hope I them, with saying that the fradet chelling ; panelled mirrors which refact the light from the windows, whence there is a view over the park; whence there is a view over the park; thowers and shrubs; "sweetness, and light;" a pretty piece of statuary by the struction on various theological out in Europe there come also the important these, and court in Europe there come also the important these, and shrubs; "sweetness, and light;" a pretty piece of statuary by the court in Europe there come also the important these, and could be whash the Prince of the important these hash the Prince of the cany as a spreadle of the court in Europe there come also the important these hash the Prince of the mathemath the Prince of the court of the court in Europe there come also the important these hash the Prince of the these there is a view over the park; the the the the prince of the these and only certain cure the owner the prince of the these and only certain cure the there the the the prince of the these and only certain cure the the the the the the the the prince of the these the best and only certain cure Madame Jerichau, the "Bathing Girls;" respondence by which the Prince of Wales adds daily to his knowledge another group by the same sculptor-these are the chief features of the room, direct the policy of states. There are, This is now hung with beautiful business of the Duchy of Cornwall, and regimental tapestry, a present from the King of affairs in the corps of which he is Color whom the members of reval families offer irresistible attractics. I remember one annoying old person who sent me by which replaces with vivid scenes of of tracts and prophecies, with long let-basis in which she described herself as "Prophetess to the Queen of England, the Prince and Princess, the Prince in the uniform pleased when I read of her being taken care of before I returned; but the race is not extinct, and all sorts of mad pes-ple try from time to time to burst in which she described herself, as there were may be fracts and person the status at the valley of the Dec. But in these days there may of the larger kinds of birds, which once gave peculiar interest

Although many of the larger kinds of birds, which once gave peculiar interest to the Nortolk wastes, such as the great boustard and the wild swan, have disappendice. The billiard-room, against the boustard and the wild swan, have disappendice. The billiard-room, against the scene. The billiard-room, against the prince of Wales. His voice is singular-burder burder Van to the Nortolk wastes, such as the great score. The billiard-room, against the Prince of Wales. His voice is singular. Buren's Kidney Cure, then buy a bothe by a bothe ly far-reaching, clear, pleasant, and his and relieve yourself of all those distressarms, some exceedingly rare and curious delivery is simple and dignified. But it naine Vour Druggast can toll arms, some exceedingly rare and curious of all countries and periods, in beautiful order, lies at the end of a passage, be-yond the dining-room, and hither, when the Princess has left the drawing-room and the ladies have retired for the night, the guests follow the Prince, unless the beaulier allow are transformed. But it in gpains. Your Druggest can tell you must not be supposed that the ease and duency which now characterize his pub-lic discourses were attained without trouble, or that the Prince is one of the "meb ef gentlemen who 'speak' at ease," and have very little to say worth listen. "No ; she lingered and suffered along. "No ; she lingered and suffered along. "No ; she lingered and suffered along." MD, SENATOR TERLING RVERSR MARTIN, Tor VAN bowling-alley asserts superior attractions, ing to. At first, when he had to address and a game in which the Princess and an audience—and it fell to his lot to betors doing her no good ; and at last was 'cared by this Hop Bitters the papers 'say so much about. Indeed ! indeed ! a game in which the Princess and many of her guests take much pleasure, and which excites pleasant rivalry between the contending "sides," carries then on toward the wee sma" hours. From the could sit down; but by persistent prac-tor stimulated by the cortainty that he E v thankful we should be for that "medicine." Eacklen's Arnica Salve toward the wee sma' hours. From the bowling-alley the serious little room which contains the Prince's batteries is gained, and there in their costly sim-bin, and animated by a high sense of Fever Sores, Cancers, Piles, Chilblains C Warranted to speedily cure him, and animated by a high sense of plicity are arrayed in racks the chefs d'acuvre, in rifle and smooth-bore, of Purdey, Grant, etc., and foreign inter-vated in his case by the conscioueness С Corns, Tetter, Chapped Hands, and all 0 Skin Eruptions, guaranteed to cure in LH every instance, or money refunded. 25c. per box. 'Incurable !' . Seven bottles of your bitters cured him, and I know of the 'Lives of eight persons' In my neighborhood that have been saved by your bitters, And many more are using them with

great benefit. 'They almost Do miracles !'

THE GLOBE has special arrangements by which it possesses the sole right in Can-fiction, such as Wilkle Collina, Miss Braddos, Jistin Hetherty, E. L. Farjeon, Kanta Doucley, William Elack, Mrs. Gifphant, Ringh Canway, and elbers. A story of enthrolling interest, entitled VYLLARD'S WERED, by Miss Erredden, is now running in THE DALIX and WERKLY GLOBE, and will be continued till completed. It will be succeeded by a story from the powerful pon of JESTIN HETARTHY, and after the last named-story is completed there will follow one from R. L. FARJEON, the famous novelist. In addition to the regular continued story, there are always running to the 12 and 3 o'clock editions of DALLY, and in This Warkby GLOBE one or more additional novels by authors of world-wide repute. In this manner readers get five or six complete novels each year. AS AN AGRICULTURAL NEWSPAPER THE WEEKLY GLOBE IS UNSURPASSED.

Revised by Spargeon's own handl, given every week in Saturday's DAILY Grous and in This WERKLY GLOSE, under special and exclusive arrangement for the Dominion of Canada, The Rev. C. H. Spington is, beyond question, the most widely-read preacher in the world, and is always racy, practical and instructive. Address, THE GLOBE PRINTING CO. TORONIO CHICAGO HOUSE. MISS WILKINSON Begs to announce that she has in stock in large and varied profusion, The Very Latest Winter and Spring Fashions and she would respectfully invite the ladies to call and see the display at The Chicago House.
