KNOWLING'S CROCERY DEPARTMENT

has just received

97 cases Fussell's Celebrated

White Butterfly Norwegian Condensed Milk in nominal pint tins, which they are retailing at the low price of

15c. per tin.

This is the highest grade of

Pure Sterilized Condensed Milk.

Contains over 10 per cent. of Butterfat; it is absolutely pure and germless; it was specially selected by the British Government on the occasion of the King's visit to India. Diluted with two or three parts water, it is more than qual to any fresh sterilized milk.

W. J. HERDER, - - Proprietor W. F. LLOYD, - - - - Editor

FRIDAY, September 13, 1912.

Reports of the Examiners.

received vesterday the reports and lists from the College of Preceptors. London, which is the examining board of the Council. On these lists the Registrar made out the Scholarship and Prize Lists, which we publish in another column. The reports are short statements by the examiners of impressions made on them by the answers of the candidates generally in

We purpose giving some of the features of these reports, taking first

English: "The essays were, as a Algebra: "Much of the work was of rule, written in a simple and straight- good quality, and all the questions forward style, and of a very fair de- were well answered by some of the gree of merit, several of the better candidates. candidates sending up distinctly good Geometry: "A large proportion of Four Brigades

English Literature: "The set book had evidently been read with much care and interest. . .

History: "The work of many of these candidates was very good, and the general result of the examination was satisfactory."

Geography: "There was some improvement, at all events in the better papers, on the work of last year, and one or two questions were really well auswered. On the other hand, the number and character of the mistakes seem to show that the teaching is inefficient and that the prescribed syllabus is beyond the powers of the candidates."

Arithmetic and Algebra: "Outside answers to the question on decimals. which "were not such as one would expect from the candidates, and some carelessness in solving a quadratic equation," the work deserves much

Geometry: "There were a few unsatisfactory papers, but the work of the candidates as a whole was decidedly

Mechanics: "What candidates had seen or were interested in was well done. Definitions and statements were inexact and often showed a very loose grip of the idea.'

Navigation: "The work was very satisfacory."

French: "On the whole the work was very satisfactory."

Lain: "The general result and impression are evidenced by the high marks gained, not only by the large percentage who reached Distinction t also by the bulk of the candi-

Geology: "The candidates showed a candidates are under the disadvanta very creditable way and afforded evidence of satisfactory preparation and laboratory training."

Hygiene: "The papers this year were somewhat disappointing in quality. A certain portion of the candidates presented good work, but on the whole the standard shown was below the average. In too many instances the answers were not well set out, and both writing and spelling gave scope

Geology: "The candidate showed a very fair knowledge of the subject, and were particularly good in the

OTTAWA, Sept. 12. The suggestion that warlike suffra ettes from England may be barred out of Canada under the terms of the regulation regarding undesirables has been made by the Department of the Interior. The belief seems to prevail tha the regulations would apply The suggestion has special reference o the threatened invasion of leaders from across the ocean and the fact that sundry of these ladies have sered trems in jail. Their mission i he introduction of law breaking mehods into Canada and would be sufcent to justify their exclusion. The Department will not be called upon decide the point until the suffrawhether or not they are

Rolls prother of the bride, and Mr. J. Rolls acter as father-giver. The present of the groom to the bride was a diamond pendant brooch. Following a reception the couple took the train for St George's where the honeymoon will b

Upset Stcmach And Indigestion.

Heartburn, Gas, Sourness or Dyspepsia ended in five minutes with "Pape's Diapepsin."

Time it! In five minutes all stomch distress will go. No indigestion. eartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world and besides it is harmless.

Millions of men and women now eat their favorite foods without fear-they know it is needless to have a bad stomach.

fifty-cent case of Pape's Diapensin from any drug store and put your stomach right. Don't keep on being Meet To-Night. miserable—life is too short—you not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest, surest relief known.

Ireland!

A Charming Natural Setting for "The Coleen Bawn."

Beaufort - that very picturesque and quaintly romantic spot in County Kerry-has been, selected for the charming setting for the excellent Kaleen Pictorial Production of "The Colleen Bawn," which will be shown at the Casino Theatre next week. One can hardly imagine a more pleasing combination of natural surroundings; it is actually a visit to the old sod, for we see the thatched cottages of the peasantry, the moss-covered walls of the old abbeys; the charming cascades and waterfalls; the world famed Lakes of Killarney, and a thousand and one other nooks of romantic interest in the Emerald Isle. Everyone knows the story of the "Colleen Bawn," of her secret marriage to Hardress Cregan, her abduction and attempted drowning by Danny Mann. faithful henchman and relentless ser vitor, but everyone has not seen-nor is likely to see-the green sward of Ireland, in all its natural beauty, but here is the chance. Let it be em braced, and let everyone of Irish descent, of Irish spirit and of Irish appreciation, attend the Casino Theatre next week, when this celebrated three reel production of "The Colleen Bawn" will be shown in Newfound land for the first time.

SCHOONERS ARRIVE .- Quite number of northern schooners arrive in port yesterday, all of them being fish laden. The backyard weather will delay the crafts from landing
