**HOW TO BUY A WATCH.**

Price alone sells few watches. It's what you get for the money that sells them—in other words, Value. The point on which value depends is, first, the experience of the manufacturer, and next, the integrity of the local dealer. The thing to know is—How long has the firm been selling watches? (Duley's have for 25 years.)

**YOU NEED A WATCH.**

No matter what your vocation, a good watch is as indispensable as the clothing you wear, if you would be counted a success. We make a specialty of Good Watches, and at prices that will surprise you, when you realize the wonderful value in a Real timekeeper.

Likewise we do Watch Repairing, promptly and well.
