Local Market. Reported by A. M. Hamilton & Son.

London, Nov. 29.

Trade was steady today, and little difference Trade was steady today, and little difference was noticeable in the price of any kind of grain. Wheat, oats and bariey were the only kind of grain that offered. Eggs were firmer on strictly fresh lots, and butter steady. Turkeys and chickens were again plentiful, and sold slow. Meats were quiet and much unchanged with the exception of dressed hogs. They pened dull at \$5; a shipping demand sprung an about mid session, and prices were up about mid session, and prices were gradually pushed up 25c; the close was \$5 25. Potatoes a shade firmer at 55c a hag by the toad. Hay came in more freely; the price did change, though more loads sold at \$9 than 29 50. Nearly 60 guests were present, and an extensive array of both useful, valuable and handsome gifts bore testimony to the general esteem in which the bride was held. Miss Mary A. Hunten supported the bride and Thos. A. Taylor, brother of the bride, was groomsman. The dresses of the ladies were beautiful in the extreme. Rev. J. J. -It has been previously announced that the Salvationists will have their self-denial week during the week, Dec. 1 to 8, and efforts are now being put forth in a practical way, as we conclude from the contents of the War Cry and the special pamphlets and appeals which are being distributed by the soldiers and officers. The proceeds of previous self-denial weeks in Canada have been continually increasing, and there are many reasons to believe that this year's effort will exceed the former. Many officers and soldiers have determined to live actually on bread and water-others next to it-in order to raise a good share of the total aimed at. Solaiers have been told off to visit from house to house and solicit contributions. In other places the bands have arranged to serenade, and by this means raise something towards the "Target." The London corps has pledged itself to raise \$250.

The Proceeds Garnisheed.

At the close of the performance of 'Pinafore" last night Bailiff Burns, representing McEvoy, Wilson & Pope, garnisheed the proceeds of the evening to the extent of \$75. The action was taken on behalf of Boosey & Co., London, England, who own the copyright of "The Grand Duchess." which the London Amateur Opera Company performed on three occasions. The holders of the copyright want \$25 for each performance. It is alleged that the committee in charge of "Finafore" is almost identical "The Grand Duchess"-hence the action. | Andrew's Day.
