## THE ARMISTICE

Prolonged for Two Weeks-Advice as to Crete.

Constantinople, June 1. - The ambassadors are urging the Turkish Government to engage to prolong the rmistice in the event of the peace negotiations not being ended when the armistice expires.

An irade has just been issued and communicated to the representatives of the powers, by which the sultan agrees to an armistice of a fortnight, eginning May 30. Fresh instructions nsequently will be sent to Edhem Pasha, the Turkish commander in

insist upon Turkish evacuation, ter which, he says, the Cretan chiefs would be willing to accept tonomy. If, on the contrary, Turey is allowed to send more troops will be a renewal of the norrors of 1866-68.

## TOBACCO IN CANADA.

Essex and Kent Will Grow Great Quantities Under the New Law.

Amherstburg, June 1 .- Albert Fox ntends to put in several acres of tobacco on his driving park farm. No nore Havana tobacco will be used in the 5 cent cigars; it will be used exclusively in the 10 cent cigars. The protection given the Canadian tobacco the new tariff tends to improve its quality, as the growers can afford to give more attention to its culture. Essex and Kent will be able to produce enough to supply the Dominion. Immense quantities will be grown this Since Jan. 1, Lewis Wigle has hipped sixteen carloads of tobacco grown between Ridgetown and Am herstburg. The average price paid was \$6 per 100 pounds. Dolphus Fox of Olinda, was paid \$249 for the product of one and a half acres of tobacco.

## ON THE WARPATH. Cheyennes Slaughter a Dozen Men In-

tank near the house and was drowned. In attempting to rescue the child Mrs. Barr and Mattie Alexander, aged 14, met a similar fate.

SUICIDE OF AN OLD MAN.

Newmarket, Ont., June 1.—Jas. Hayward, an inmate of the home here, committed suicide Saturday night by cutting his throat with a jack-knife.

Suicide Saturday night by cutting his throat with a jack-knife.

day, Mr. Davin, conformably to his custom, a rose. He asked the Premier if he had received any information in regard to the capture of the Indian murderer, Almighty Voice. Mr. Laurier read the following state-

Commissioner Herchmer, of the Northwest Mounted Police: "On Thursday of last week an Indian named Almighty the truth. They were all Jobs on this Voice, who had previously shot and killed a sergeant of the mounted police, patience. He himself had listened to a killed a sergeant of the mounted police, shot from ambush a settler named member Venne was brought to Duck Lake, and speech, and almost in the same words. the police at once started in pursuit of the language of Job, the supporters the Indian. On Friday morning they located him with other Indians in a bunch of timber, but the Indians had the Opposition, "Verily, ye are the people; wisdom will die with you." The Liberals roared approval, and the Conan attempt to capture them the folowing casualties occurred: Constable gone chasing a butterfly and been Kerr and a volunteer named Grundy were shot dead, Corp. Hockin receiving wounds from which he died the Charles when his adjectives are flow-same evening. Inspector Allan's arm ing freely. After him followed Mr. was shattered by a bullet about two inches below the shoulder, and Sergt. Taylor, of Leeds, who brought the deinches below the shoulder, and Sergt. Raven was shot in the groin. One Indian was known to have been killed.

A field gun was sent for to shell the Indians out of the timber, with the result that two Indians was well killed are sult that two Indians were killed are Indians out of the timber, with the result that two Indians were killed, one of them being Almighty Voice. No further trouble is expected. We have not with the power of making commercial been able to get authentic information as to the circumstances which led up to the shooting of Venne by Almighty treaties or arrangements with any or every country under the sun, and moved that the minimum tariff be ap-Voice, but it is believed that he and plied to any country only after Par-Corp. Borbridge, of the mounted police, liament has given its sanction to such came suddenly on Almighty Voice, when application. the latter ran into the woods and shot

of the Cattle, Sheep and Swine Breeders' Association will also be located there in future. This is done to facilitate work in these departments by making them more easily reached by making them more easily reached by making them more easily reached by the course of which he went into a number of the tariff changes in detail, alleging that the measure would seriously cripple Canadian industries, by permitting cheap British goods to be brought in cluster will advantage of the minimum tariff, and the United States would not under her present tariff, the only imports regarding which there could be any uncertainty were some \$19,000,000 from all permitting cheap British goods to be brought in clusters, wielded \$5,000,000 odd of brought in.

Mr. Beattie gave his experience as a drygoods merchant, with the object of proving that under the reciprocal tariff the year. That was all the disturbance with Great Britain cheap goods from of revenue possible, &f all countries other countries would be purchased by other than the above mentioned were anadian merchants in Great Britain, given entrance for their goods on the good sold to Canadians. This he proessed to regard as a calamity that key, tariff the standing offer of reciproing British exporters to say un-that the products admitted lessened our duties by \$1,722,757, and der oath that the products admitted under the reciprocal clause are bona fide British goods. If the Government lessened our duties by \$1,722,757, and that by an order in council exactly like the order proposed to be issued in the depended upon the honesty of every present case of the business in Canada? Suddenly, leaving the drygoods business, Mr. Beattle made a bitter reference to the loyalty question. He said that it may be supported in the House.

Opposition began to fade away. When he sat down there were just 20 of his supporters in the House.

Mr. Paterson this to be a supported by the loyalty question. merchant in Great Britain. Beattie made a bitter reference to the loyalty question. He said that it was only a few years since an honorable from foreign countries mentioned by Mr. Fielding, a large part were free Mr. Fielding, a large part sugars, liquors, n the banks of the Saskatchewan he goods and a large part sugars, liquors,

London, June 1. — The Athens correspondent of the Times, in a dispatch dated Monday, urges the powers to make a speedy and firm statement as to the Cretan difficulty, and statement as to the Cretan difficulty, and solutions. To bacco in Southern Wisconsin is reported slightly injured to the Cretan difficulty, and solutions and small fruits.

On the Saskatchewan he would have taken up his rifle to shoot down the volunteers who went out to quell the rebellion. Then Mr. Beattie boasted of his military record. He said the second tree saskatchewan he would have taken up his rifle to shoot down the volunteers who went out to quell the rebellion. Then Mr. Beattie boasted of his military record. He said these countries will not be affected by Corn in Northern and Central Illinois is reported to be cut down by the frost, and is also destroyed in many points in this section. Potatoes were killed at some points and must be replanted.

for such a character, but he did not put in an appearance. He regretted that anybody who had dared to express sentiments of that kind should go to England to represent Canada at the jubilee of Queen Victoria. Many planted.

Mr. Foster talked about the poor workingmen being ruined. "Oh he knows." cried Dr. Landerkin, holding up the Globe cartoon. "Here's one that is ruined."
